A letter from J.P. Morgan Cazenove explaining the Scheme appears in Part 2 of this document.

ACTION TO BE TAKEN

Notices of the Court Meeting and the Redde General Meeting, each of which have been convened for Wednesday 15 January 2020 at the offices of Bryan Cave Leighton Paisner LLP, Adelaide House, London Bridge, London EC4R 9HA, are set out in Parts 9 and 10 of this document. Whether or not you plan to attend either or both of the Meetings, please complete the enclosed Forms of Proxy and return them in accordance with the instructions printed thereon, as soon as possible, but in any event, so as to be received (during normal business hours) to the Registrar, Link Asset Services, at PXS, 34 Beckenham Road, Beckenham, Kent, BR3 4TU by 10.00 am on Monday 13 January 2020 in the case of the Court Meeting and by 10.15 am on Monday 13 January 2020 in the case of the Redde General Meeting (or, in the case of adjournment, not later than 48 hours before the time fixed for the holding of the adjourned meeting (excluding non-Business Days)). If the pink Form of Proxy for use at the Court Meeting is not lodged by 10.00 am on Monday 13 January 2020, it may be handed to the chairman of the meeting or the Registrar on behalf of the chairman at the Court Meeting before the taking of the poll and will still be valid. However, in the case of the Redde General Meeting, unless the blue Form of Proxy is lodged so as to be received by 10.15 am on Monday 13 January 2020, it will be invalid.

Accordingly, copies of this document and all documents relating to the Merger are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this document and all documents relating to the Merger (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from any Restricted Jurisdictions where to do so would violate the laws in that jurisdiction. NOTES TO REDDE SHAREHOLDERS IN THE UNITED STATES

The Merger relates to the securities of two English companies and is proposed to be implemented by means of a scheme of arrangement provided for under, and governed by, English law. A transaction effected by means of a scheme of arrangement is not subject to the proxy solicitation nor the tender offer rules under the US Exchange Act. Accordingly, the Scheme will be subject to disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which are different from the disclosure requirements of the United States proxy solicitation and tender offer rules. The financial information included in or referred to this document has been or will have been prepared in accordance with International Financial Reporting Standards and thus may not be comparable to financial information of United States companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States. If Northgate exercises its right to implement the acquisition of the Redde Shares by way of a Takeover Offer, in the circumstances provided for in the Co-operation Agreement, and determines to extend such Takeover Offer into the United States, such offer will be made in compliance with applicable United States securities laws and regulations.

It may be difficult for United States holders to enforce their rights and claims arising out of the United States federal securities laws, since Northgate and Redde are located in countries other than the United States and are organised under the laws of England and Wales, and some or all of their officers and directors may be residents of countries other than the United States. United States holders may not be able to sue a non-United States company or its officers or directors in a non-US court for violations of United States securities laws. Further, it may be difficult to compel a non-United States company and its directors, officers and affiliates to subject themselves to a United States court's jurisdiction and judgement.

The Merger and the securities referred to in this document have not been approved or disapproved by the SEC, any state securities commission in the United States or any other United States regulatory authority of any state or district or other jurisdiction of the United States, nor have such authorities passed upon or determined the fairness or merits of such securities, the Merger or the adequacy or accuracy of the information contained in this document. Any representation to the contrary is a criminal offence in the United States.

The New Northgate Shares to be issued pursuant to the Scheme have not been, and, unless Northgate otherwise elects in the event of a Takeover Offer, will not be, registered under the US Securities Act or under the securities laws of any state, district or other jurisdiction of the United States, may not be offered or sold in the US absent registration or an applicable exemption from the registration requirements of the US Securities Act, and are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof.

For the purposes of qualifying for the exemption from the registration requirements of the US Securities Act afforded by Section 3(a)(10) thereof, Redde will advise the Court through counsel that its sanctioning of the Scheme will be relied upon by Northgate as an approval of the Scheme following a hearing on fairness of its terms to Redde Shareholders. All Redde Shareholders are entitled to attend

such Court hearing in person or through counsel to support or oppose the sanctioning of the Scheme, and notification of such Court hearing will be given to all such Redde Shareholders.

Former Redde Shareholders who will be affiliates (within the meaning of Rule 144 under the US Securities Act) of Northgate after the Effective Date will be subject to certain United States transfer restrictions relating to the New Northgate Shares received pursuant to the Scheme.

In accordance with the Takeover Code, normal UK market practice and Rule 14e-5(b) of the US Exchange Act, each of Goldman Sachs, Barclays and J.P. Morgan Cazenove and their respective affiliates will continue to act as exempt principal traders in Redde and Northgate securities on the London Stock Exchange. These purchases and activities by exempt principal traders which are required to be made public in the UK pursuant to the Takeover Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the UK.

In accordance with normal UK practice, Northgate, its nominees, affiliated companies or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase Redde Shares outside of the United States, until the date on which the Merger becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be available from the Regulatory Information Service of the London Stock Exchange available at <http://www.londonstockexchange.com>.

CAUTIONARY NOTE ON FORWARD-LOOKING STATEMENTS

This document contains statements which are, or may be deemed to be, "forward-looking statements" and which are prospective in nature. All statements other than statements of historical fact included in this document may be forward-looking statements. They are based on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects", "is expected", "is subject to", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "anticipates", "believes", "targets", "aims", "projects", "future-proofing" or words or terms of similar substance or the negative of such words or terms, as well as variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Northgate's or any member of the Wider Northgate Group's, Redde's or any member of the Wider Redde Group's operations and the Combined Group; and (iii) the effects of global economic conditions and governmental regulation on Northgate's, any member of the Wider

Northgate Group's, Redde's or any member of the Wider Redde Group's and Combined Group's business.

Such forward-looking statements involve known and unknown risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors may cause the actual results, performance or achievements of Northgate, the Wider Northgate Group, the Wider Redde Group and/or the Combined Group to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. These factors include the satisfaction of the Conditions, as well as additional factors, such as: local and global political and economic conditions; significant price discounting by competitors; changes in consumer habits and preferences; foreign exchange rate fluctuations and interest rate fluctuations (including those from any potential credit rating decline); changes to the market in which the businesses operate; changes in the employee environment; legal or regulatory developments and changes; the outcome of any litigation; the impact of any acquisitions or similar transactions; competitive product and pricing pressures; success of business and operating initiatives; changes in the level of investment in IT systems; and changes in the level of capital investment. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. For a discussion of important factors which could cause actual results to differ from forward-looking statements in relation to the Redde Group, refer to the Annual Report and the audited financial statements of the Redde Group for the financial year ended 30 June 2019. For a discussion of important factors which could cause actual results to differ from forward looking statements in relation to the Northgate Group, refer to the Annual Report and the audited financial statements of Northgate for the financial year ended 30 April 2019. Readers should specifically consider the factors identified above and further described in the "Risk Factors" section of the Northgate Prospectus that could cause actual results of the Combined Group to differ before taking any action in respect of the Merger. Each of Northgate and the Redde Group, and each of their respective members, directors, officers, employees, advisers and persons acting on their behalf expressly disclaims any intention or obligation to update or revise any forward-looking or other statements contained in this document, whether as a result of new information, future events or otherwise, except as required by applicable law.

No member of the Wider Northgate Group, nor the Wider Redde Group, nor any of their respective associates, directors, officers, employees or advisers provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this document will actually occur.

Except as expressly provided in this document, no forward-looking or other statements have been reviewed by the auditors of Northgate or the Redde Group. All subsequent oral or written forward-looking statements attributable to Northgate or any member of the Redde Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

All forward looking statements contained in this document are expressly qualified in their entirety by the cautionary statements contained or referred to in this section.

The statements in the Northgate Quantified Financial Benefits Statement relate to future actions and circumstances which by their nature, involve risks, uncertainties and contingencies. The synergies and cost savings referred to may not be achieved, or may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

NORTHGATE STATEMENT

The Northgate Statement is a profit forecast for the purposes of Rule 28 of the Takeover Code. The Northgate Statement is repeated and confirmed by the directors of Northgate in Appendix 2 of this document, in line with the requirements of Rule 28.1(c) of the Takeover Code. For the purposes of Rule 28 of the Takeover Code, the Northgate Statement is the responsibility of Northgate and directors of Northgate.

Other than the Northgate Statement, no statement in this document (including the Northgate Quantified Financial Benefits Statement) is intended to be, or should be construed as, a profit forecast or estimate for any period and no statement in this document should be interpreted to mean that earnings or earnings per Redde Share or per Northgate Share for the current or future financial years would necessarily match or be greater than or be less than the historical published earnings or earnings per Redde Share or per Northgate Share.

DEALING DISCLOSURE REQUIREMENTS

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) of the Takeover Code applies must be made by no later than 3.30 pm (London time) on the 10th Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 pm (London time) on the 10th Business Day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8 of the Takeover Code. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Takeover Code applies must be made by no later than 3.30 pm (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the disclosure table on the Panel's website at www.thetakeoverpanel.org.uk including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. To: Redde Shareholders and, for information only, participants in the Redde Share Plans

Dear Shareholder

Recommended all-share merger of Northgate and Redde

1. Introduction

On 29 November 2019, the boards of Redde and Northgate announced that they had reached agreement on the terms of a recommended all-share merger of Northgate and Redde, pursuant to which Northgate will acquire all of the issued and to be issued share capital of Redde to form the Combined Group.

This letter sets out the background to the Merger and the reasons why the Board considers the terms of the Merger to be fair and reasonable, and why it is unanimously recommending that Redde Shareholders vote in favour of the Scheme at the Court Meeting and in favour of the Redde Special Resolution to be proposed at the Redde General Meeting (as all of the Redde Directors who own or control Redde Shares have irrevocably undertaken to do in respect of their own holdings, as set out in paragraph 8 of this letter below).

This document also contains, in Parts 9 and 10, notices of the Meetings at which the Scheme will be put to Redde Shareholders.

The Merger has also been unanimously recommended by the Northgate Directors, with the Northgate Directors who hold Northgate Shares having irrevocably undertaken to vote in favour of the Northgate Shareholder Resolutions at the Northgate Shareholder Meeting in respect of their own beneficial holdings which amount in total to 65,023 Northgate Shares, representing approximately 0.05 per cent. of Northgate's total issued ordinary share capital as at Friday 6 December 2019, being the latest practicable date to obtain this information.

2. Summary of the Merger

Under the terms of the Merger, which is subject to the Conditions and further terms set out in Part 4 of this document, Scheme Shareholders whose names appear on Redde's register of members at the Scheme Record Time will be entitled to receive:

for each Redde Share

0.3669 New Northgate Shares

Immediately following Completion, Northgate Shareholders will own approximately 54 per cent. and Redde Shareholders will own approximately 46 per cent. of the share capital of the Combined Group (based on the fully diluted ordinary issued share capital of Northgate and the fully diluted share capital of Redde, in each case as at 6 December 2019).

Subject to the satisfaction or, where applicable, waiver of the Conditions, it is expected that the Scheme will become Effective during the first quarter of 2020, with the New Northgate Shares admitted to listing

on the premium segment of the Official List and to trading on the Main Market on the first Business Day following the Effective Date.

The Merger is being effected by a Court-sanctioned scheme of arrangement of Redde under Part 26 of the Companies Act.

3 Background to and reasons for the Scheme proposals

Background to and reasons for the Merger

Background

The Boards of Northgate and Redde believe that the UK mobility and automotive services sector is a structurally attractive yet highly fragmented market with opportunities to remove inefficiencies that would enhance the customer proposition and unlock value for shareholders. Numerous players offer different aspects of the value chain and life-cycle of a vehicle across vehicle provision (sales, rental, term hire and leasing), vehicle fit out, fleet management, servicing maintenance and repair, breakdown and recovery, accident management, legal services, vehicle disposal (retail and trade) and salvage.

Northgate is a leading specialist business providing light commercial vehicles and cars to business customers in the UK, Spain and Ireland on flexible and minimum-term hire contracts.

Redde is a leading support services company in the UK specialising in accident and incident management and legal services to motorists. Primarily, it provides replacement vehicle, repair and recovery services to insurance company customers as well as accident and incident support services to private and public organisations who have contractual relationships with Redde. Redde aims to restore their mobility through the provision of hire vehicles and support them in achieving recoveries to which they are entitled.

The markets in which Northgate and Redde operate are subject to a number of trending dynamics as participants seek to grow through expanding their business model and providing new services and solutions as a means of driving differentiation to competitors and gaining exposure to more aspects of the value chain. These dynamics include:

- shifts by businesses and customers from owning to renting vehicles;
- the convergence of mobility solutions;
- increasing use of offering services and support to differentiate customer propositions relative to competitors; and
- interacting and providing customers with a broader end-to-end experience.

Rationale for the Merger

Northgate and Redde believe that the Merger will provide the opportunity to combine two highly complementary businesses into a Combined Group with a comprehensive suite of mobility services and a platform from which to create a leading integrated mobility solutions and automotive services business of scale.

Each company has previously stated their intention to and the benefits of diversifying their customer propositions and the Merger will enable both businesses to materially accelerate their complementary diversification strategies.

The Merger will enable Northgate to broaden the provision of capital-light fleet solutions such as market-leading fleet and accident management, strengthen the customer offer, and deliver low capex growth opportunities in attractive and adjacent markets. As well as immediately broadening its service offering, the Merger will provide Northgate with a platform from which to add further services, potentially extending to a turnkey fleet management suite of services with an attractive financial returns profile.

Redde specialises in responding to vehicle-related incidents, in particular road traffic accidents. Its expertise allows it to compete effectively with larger hire businesses despite scale disadvantages. Following the Merger, as part of a major vehicle hire group with an enlarged branch network throughout the UK, Redde will be able to strengthen the customer offer through an even more responsive service

to its business partners and their customers. Northgate's support and its infrastructure is expected to enable Redde to provide a broader range of car hire services to complement its accident-related services and scale in selected markets where the returns and investment case are attractive.

The Combined Group will have the expertise, experience and infrastructure required to provide businesses and personal customers with a comprehensive suite of mobility services and a range of automotive services, supplying vehicles to meet their regular mobility needs, servicing and supporting them when unforeseen events occur to ensure that they remain mobile while providing support for any resulting claims.

In summary, Northgate and Redde believe that the Merger will:

- establish a complementary combination with a comprehensive suite of mobility services and a platform from which to create a leading integrated mobility solutions and automotive services business of scale;
- create a market-leading customer proposition;
- generate cost synergies underpinned by enhanced scale and optimisation potential;
- provide the opportunity to unlock attractive revenue synergies; and
- position the Combined Group with a strong financial profile.

Complementary combination with a comprehensive mobility service suite

The Combined Group will serve customers across core rental and accident and incident management business lines and achieve greater diversification across its territories, service lines and customer base, with a strong financial profile and balance sheet.

The Merger will create a leading integrated mobility solutions and automotive services platform spanning the vehicle life-cycle across vehicle supply, service, maintenance, repair, recovery, accident and incident management and disposal through sale. It creates the platform onto which further value accretive services can be overlaid delivering customer value across a broader range of services utilised by a vehicle through its life.

The Combined Group will have enhanced scale and be able to supply a far wider range of services to existing and new customers both as a function of cross-selling each other's services and through the creation of new services enabled by the Merger. It will have a combined network of enhanced scale and density with over 110,000 vehicles in its own fleet and over 400,000 managed vehicles managed through a combined rental network of over 100 branches in the UK and Spain with the ability to provide one stop-shop service, maintenance and repair operations. In addition, the Combined Group will have an extensive vehicle disposal network through which it can efficiently dispose of vehicles.

Consideration will be given to Northgate's Spanish operations and the extent to which this can be used as a suitable platform to build out the enlarged capabilities of the Combined Group.

A market leading customer proposition

The Merger will create a market-leading customer proposition, providing fleet customers and insurers with access to an increased scope of services, a combined fleet, an increased and enhanced geographic coverage, benefits from cost efficiencies and a combination of existing capabilities.

Fleet customers of the Combined Group will benefit from the combination of a leading light commercial van rental provider and an efficient, leading fleet management, accident management and legal services provider. It is envisaged that fleet customers would benefit from the outstanding service proposition, have a greater choice and fulfilment ability, and be able to access the enhanced network of the Combined Group providing more proximate locations for service fulfilment, aiding overall responsiveness to customer requests.

The insurance customers of the Combined Group will benefit from credit hire service levels that are further enhanced through greater branch coverage and access to the breadth of vehicle fleet that the Combined Group would manage. The credit hire fleet of the Combined Group will be more cost effectively serviced and maintained.

Cost synergies underpinned by enhanced scale and optimisation potential

Northgate and Redde have identified significant savings that they expect to be delivered through the Merger. The Boards of Northgate and Redde expect that the Merger will generate pre-tax cost synergies of at least £10 million per annum, with target run-rate phasing of £7 million at the end of the first 12 months following Completion and £10 million at the end of the second 12 months following Completion.

These cost synergies are expected to be delivered from the following areas:

- *Corporate and support functions (approximately 45 per cent. of total pre-tax cost synergies):* Rationalisation and consolidation of corporate and support functions, removal of duplicate public company costs and optimisation of procurement;
- *Network (approximately 35 per cent. of total pre-tax cost synergies):* Operational savings from optimisation of the combined networks given enhanced scale of the Combined Group which is expected to enable the removal of branch overlap and the better optimisation of the network density of the Combined Group; and
- *Accident and fleet management (approximately 20 per cent. of total pre-tax cost synergies):* Operational savings from consolidating and rationalising the accident and fleet management capabilities of the Combined Group.

In achieving these cost synergies, the Combined Group expects to incur aggregate cash implementation costs of approximately £10 million. It is expected that approximately 70 per cent. of the total integration costs will be incurred in the first 12 months following Completion with the balance being incurred in the second 12 months following Completion.

Aside from these one-off costs, the Board of Northgate and the Board of Redde do not expect any material dis-synergies to arise from the creation of the Combined Group.

The identified synergies will accrue as a direct result of the Merger and would not be achieved on a standalone basis. Further information on the bases of belief supporting the Northgate Quantified Financial Benefits Statement, including the principal assumptions and sources of information, is set out in Appendix 1.

Attractive revenue synergies

The Combined Group is expected to realise revenue synergies from cross-selling Northgate's vehicle rental proposition to Redde customers as well as cross-selling Redde's FMG fleet management capabilities to Northgate customers. Further revenue synergies are anticipated to be available from accidents involving Northgate vehicles being channelled through FMG, and the service and maintenance of FMG customer vehicles through the enlarged service network of the Combined Group. The Boards of Northgate and Redde further believe that revenue growth opportunities exist from the launch of a UK flexible car rental proposition leveraging Redde's credit hire fleet operations alongside Northgate's considerable UK network.

Strong financial profile

The Combined Group is anticipated to have a strong financial profile with a diversified revenue mix, an attractive margin profile and improved cash flow characteristics.

The Boards of Northgate and Redde have considered the future capital management policy for the Combined Group. It is anticipated that this strong cash flow generation will enable the Combined Group to further strengthen the balance sheet over time with the Combined Group seeking to maintain a net debt to underlying EBITDA ratio of 1.0 times to 2.0 times in the near term.

The Merger is anticipated to deliver a post-tax return on invested capital which exceeds Northgate's weighted average cost of capital by the end of the first full financial year following Completion.

Financial effects of the Merger on Northgate

With effect from the Effective Date, the earnings, assets and liabilities of the Combined Group will include the consolidated earnings, assets and liabilities of Redde and Northgate on the Effective Date.

Background to and reasons for the recommendation

The Board of Redde remains confident in the standalone prospects of Redde and is pleased with the substantive progress made over the last few years across its strategic priorities. Despite facing some recent challenges with the reported contract loss, the strong delivery against strategic and operational initiatives and growth in its fleet and accident and incident management services saw Redde generate record revenues of £589.7 million and further adjusted EBIT growth to a total of £49.6 million in its financial year ending 30 June 2019.

The rationale for, and benefits of, the Merger are set out in this paragraph 3 under the section headed "Background to and reasons for the Merger". While the Board of Redde considers the standalone prospects for Redde to be strong, it has long held the view that with the shifting trends from ownership to rental and hire that the market for mobility solutions to both business users and consumers will converge over the long term. As a consequence, the Board of Redde believes that longer term sustainable competitive success will largely depend on focusing on the life journey of the product and the service innovation that supports customers as well as creating competitive scale.

Redde has developed a unique skill set in delivering replacement mobility and repair services into the insurance market and the wider automotive space through its fleet incident services. Redde has captured a large share of that market and with a bigger platform, can deliver further services valued by its customers. Similarly, Northgate is a market leader in rental and hire of light commercial vehicles that operates in a different market space to Redde and provides a complementary and adjacent product offering. Combining some of the operational aspects of the respective businesses unlocks value and extends the product and service reach, enhances operational capability and generates better purchasing economics.

In addition, the Board of Redde believes the Merger provides an opportunity to capture the early trends in convergence of mobility solutions and builds a platform to deliver more innovative future solutions and provide shareholders with a strategic route into the consolidation of the market. Redde believes that the scale and reach of the Combined Group will position the business across a number of markets which it will be well placed to serve and grow.

Furthermore, the Board of Redde believes that the terms of the Merger fairly reflect Redde and Northgate's respective standalone businesses and their prospects, an appropriate sharing of the expected synergies resulting from the combination, and the proposed balance of the Board and management team of the Combined Group. The Board of Redde is pleased that the members of the Board of the Combined Group to be nominated from Redde will be in a position to support the Board and management team of the Combined Group in delivering the successful integration of Redde and Northgate and the resulting synergies.

Following the Merger and subject to the approval of the Board of the Combined Group, the Combined Group intends to adopt a progressive dividend policy consistent with a strategy which balances returns to shareholders with the need to retain sufficient funds to drive growth. In setting its initial dividend, it is expected that the dividend will be covered by the Combined Group's profit after tax by around two times. The Combined Group will look to pay interim dividends that are 50 per cent. of the prior final dividend.

Dear Sir/Madam

1. Introduction

On 29 November 2019, the Boards of Redde and Northgate announced that they had reached agreement on the terms of a recommended all-share merger of Redde and Northgate pursuant to which Northgate will acquire all of the issued and to be issued Redde Shares to form the Combined Group.

The Redde Directors have been advised by J.P. Morgan Securities plc, which conducts its UK investment banking business as J.P. Morgan Cazenove ("**J.P. Morgan Cazenove**") in connection with the Merger. J.P. Morgan Cazenove has been authorised by the Redde Directors to write to you and set out the terms of the Merger and to provide you with other relevant information. In giving its advice, J.P. Morgan Cazenove is advising the Redde Directors in relation to the Merger and is not acting for any Redde Director in their personal capacity or for any Redde Shareholder in relation to the Merger. J.P. Morgan Cazenove will not be responsible to any such person for providing the protections afforded to its clients or for advising any such person in relation to the Merger. In particular, J.P. Morgan Cazenove will not owe any duties or responsibilities to any particular Redde Shareholder concerning the Merger. Please note that dates and timings set out in this document are indicative only and may be subject to change.

The Merger is to be effected by means of a Court sanctioned scheme of arrangement under Part 26 of the Companies Act, which requires the approval of the Scheme Shareholders and the sanction of the Court. The terms of the Scheme are set out in full in Part 3 of this document.

Your attention is drawn to the Letter from the Chairman set out in Part 1 of this document which forms part of this Explanatory Statement. That letter contains, amongst other things, the background to and reasons for the recommendation of the Redde Directors and states that the Redde Directors, who have been so advised by J.P. Morgan Cazenove as to the financial terms of the Merger, consider the terms of the Merger to be fair and reasonable. In giving advice to the Redde Directors, J.P. Morgan Cazenove has taken into account the commercial assessments of the Redde Directors.

Statements made in this letter regarding (i) the background to the recommendation of the Redde Directors; and/or (ii) the business of Redde, reflect the views of the Redde Directors. Statements made in this letter regarding the businesses of Northgate, reflect the views of the Northgate Directors. Statements made in this letter regarding the future plans for the Combined Group reflect the views of the Northgate Directors and the Proposed Northgate Directors.

Your attention is also drawn to the Northgate Prospectus (for which Northgate, the Northgate Directors and the Proposed Northgate Directors are responsible), which contains further information on Northgate and the New Northgate Shares to be issued in connection with the Merger. A copy of the Northgate Prospectus accompanies this document and is also available on Redde's website, www.redde.com, and on Northgate's website, www.northgateplc.com. A hard copy, subject to applicable securities laws, can be requested by contacting the Company's registrars, Link Asset Services, whose contact details are set out on page 9 of this document.

2. Summary of the Scheme

Under the terms of the Merger, which is subject to the Conditions and further terms set out in Part 4 of this document, Scheme Shareholders whose names appear on Redde's register of members at the Scheme Record Time will be entitled to receive:

for each Redde Share

0.3669 New Northgate Shares

Immediately following Completion, Northgate Shareholders will own approximately 54 per cent. and Redde Shareholders will own approximately 46 per cent. of the share capital of the Combined Group (based on the fully diluted ordinary issued share capital of Northgate and the fully diluted share capital of Redde, in each case as at 6 December 2019).

Subject to the satisfaction or, where applicable, waiver of the Conditions, it is expected that the Scheme will become Effective in the first quarter of 2020, with the New Northgate Shares admitted to listing on the premium segment of the Official List and to trading on the Main Market on the Effective Date.

3. Structure of the Scheme proposals

The Scheme is an arrangement made between Redde and the Scheme Shareholders under Part 26 of the Companies Act, which requires the approval of the Scheme Shareholders and the sanction of the Court. The purpose of the Scheme is to provide for Northgate to become the owner of all the Redde Shares.

In order to achieve this, it is proposed that all Scheme Shares will be transferred to Northgate, in consideration for which the Scheme Shareholders whose names appear on the register of members of Redde at the Scheme Record Time will be entitled (subject to certain terms and conditions) to receive New Northgate Shares on the basis set out in paragraph 2 of this Part 2 above.

The Scheme is subject to the Conditions and to certain further terms referred to in Part 4 of this document. In particular, it requires the approval of Scheme Shareholders for the Scheme at the Court Meeting, which has been convened for 10.00 am on Wednesday 15 January 2020. The Scheme must be approved by a majority in number of Scheme Shareholders present and voting, either in person or by proxy, at the Court Meeting representing not less than 75 per cent. in value of the Scheme Shares voted by such holders.

Implementation of the Scheme will also require the passing at the Redde General Meeting (which will be held immediately after the Court Meeting) of the Redde Special Resolution as a special resolution, which requires the approval of Redde Shareholders representing at least 75 per cent. of the votes cast at the Redde General Meeting (either in person or by proxy). In respect of the Redde Special Resolution, each Redde Shareholder will be entitled to cast one vote for each Redde Share held.

The Merger and the allotment and issue of the New Northgate Shares must also be approved at the Northgate Shareholder Meeting by the requisite majority of Northgate Shareholders (described in more detail in paragraph 10 of this Part 2 below).

Following the Meetings, the Scheme must be sanctioned by the Court and will only become Effective upon delivery to the Registrar of Companies of the Scheme Court Order. Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted, or whether they voted in favour of or against the Scheme at the Court Meeting or whether they voted in favour of or against the Redde Special Resolution at the Redde General Meeting.

Redde will not issue or register the transfer of any Redde Shares after the Scheme Record Time until the Scheme has become Effective.

4. Irrevocable undertakings from Redde Directors and Northgate Directors

Northgate has received irrevocable undertakings from those Redde Directors, together with a close relative of Martin Ward, who own or control Redde Shares, together totalling 4,687,303 Redde Shares, to vote (or procure the vote) in favour of the Scheme at the Court Meeting and the Redde Special Resolution to be proposed at the Redde General Meeting. The Redde Shares in respect of which Northgate has received irrevocable undertakings from Redde Directors and the close relative of Martin

Ward represent approximately 1.53 per cent. of the issued Redde Shares as at Friday 6 December 2019 (being the latest practicable date to obtain this information).

In addition, Redde and Northgate have received irrevocable undertakings from those Northgate Directors who own or control Northgate Shares, totalling 65,023 Northgate Shares, to vote (or procure the vote) in favour of the Northgate Shareholder Resolutions, and, subject to the terms of the relevant undertaking, any other resolution, to be proposed at the Northgate Shareholder Meeting. The Northgate Shares in respect of which Redde has received irrevocable undertakings from Northgate Directors represent approximately 0.05 per cent. of the issued Northgate Shares as at Friday 6 December 2019 (being the latest practicable date to obtain this information).

Further details of these undertakings, including details of the circumstances in which they will cease to be binding are set out in paragraph 4 of Part 7 of this document.

5. Dividends and dividend policy

The Boards of Northgate and Redde have agreed to retain their current dividend policies for the period prior to Completion. Accordingly, Northgate and Redde have agreed that:

- Northgate Shareholders will be entitled to retain the Northgate interim dividend for the six month period to 31 October 2019 of 6.3 pence per Northgate Share announced by Northgate on 29 November 2019 (the "**Permitted Northgate Dividend**"); and
- if the Effective Date has not occurred before 6 March 2020, being the record date for any Redde dividend that may be declared for the six month period to 31 December 2019, Redde Shareholders will be entitled to retain such dividend provided it is equal to or less than 5.5 pence per Redde Share (the "**Permitted Redde Dividend**").

Reduction to Exchange Ratio

If, after the date of the Announcement, any dividend, distribution or return of capital is declared, made or paid or becomes payable in respect of the Redde Shares (other than, or in excess of, any Permitted Redde Dividend or any Redde Equalisation Dividend) with a record date on or before the Effective Date (each a "**Non-Permitted Redde Dividend**"), Northgate reserves the right to reduce the Exchange Ratio accordingly so as to reflect the aggregate value attributable to any such Non-Permitted Redde Dividend.

Redde Equalisation Dividend

If, after the date of the Announcement, any dividend (other than, or in excess of, any Permitted Northgate Dividend), distribution or return of capital is declared, made or paid or becomes payable in respect of the Northgate Shares with a record date on or before the Effective Date (a "**Non-Permitted Northgate Dividend**"), then Redde will be entitled (in addition to any Permitted Redde Dividend) to declare and pay, and the Redde Shareholders will be entitled to receive and retain an equalisation dividend in Sterling (the "**Redde Equalisation Dividend**") in respect of the Redde Shares of an amount per Redde Share equal to the amount of the Non-Permitted Northgate Dividend per Northgate Share multiplied by the Exchange Ratio (taking into account any reduction to the Exchange Ratio arising as a result of any Non-Permitted Redde Dividends in accordance with the above paragraph entitled "**Reduction to Exchange Ratio**").

Dividend policy of the Combined Group

Following the Merger and subject to the approval of the Board of the Combined Group, the Combined Group intends to adopt a progressive dividend policy consistent with a strategy which balances returns to shareholders with the need to retain sufficient funds to drive growth. In setting its initial dividend, it is expected that the dividend will be covered by the Combined Group's profit after tax by around two times. The Combined Group will look to pay interim dividends that are 50 per cent. of the prior final dividend.

6. Employees, management and locations

Strategic plans for the Combined Group

The Combined Group will create a leading integrated mobility solutions and automotive services business of scale. The Combined Group intends to move quickly to combine the existing businesses and create a combined business which harnesses the assets, best practices and skilled teams of both companies. It is expected that the Combined Group will:

- bring together some of the best talent in its industry;
- be focused on placing consumers at the centre of its business through a broader, more attractive, customer proposition;
- leverage its nationwide coverage and end-to-end portfolio of services;
- benefit from the expertise of both companies to provide best in class services for its customers;
- have a strong balance sheet and financial flexibility; and
- have a governance model which will support and challenge its management to ensure that the interests of all stakeholders are considered.

Given the complementary nature of Northgate and Redde in terms of their respective propositions to customers and the nature of customers that each business addresses, it is anticipated that there will be limited impact from the Merger on customers and employees, in particular in the short term. Upon Completion, the Combined Group will initiate a detailed review of the operations of both businesses to assess how they can work most effectively and efficiently together. The review, which is expected to take at least three months following Completion, will review the current operating and organisational structures of both businesses and provide the basis for the development of an integration programme designed to minimise disruption to customers and employees whilst delivering the expected opportunities and benefits of the Merger for the Combined Group's stakeholders.

The Combined Group will retain extensive operations across the UK, Ireland and Spain, and, given the complementary nature of the businesses and the limited areas of overlap, it is anticipated that there will be minimal consolidation of the existing operational centres of both businesses. While an initial assessment has been undertaken as part of the preparation of the Northgate Quantified Financial Benefits Statement, following Completion the Combined Group will perform a detailed review of the enlarged branch network to identify opportunities to realise infrastructure and operating efficiencies. The review, which is expected to take at least three months following Completion, will identify the optimal network by removing overlap and enhancing overall scale along with greater density to align with the needs of the Combined Group's portfolio of services and its efficient delivery to customers. It is expected that this will be achieved by ensuring that vehicles are closer to customers resulting in lower delivery and collection costs. In respect of head office and corporate functions, where overlap and duplication does exist, it is intended that, following a review of the options available, activities will be consolidated and rationalised to allow for the better integration of the Combined Group.

The proposed Board and management of the Combined Group, who have a proven track record of delivering on strategic initiatives, plan to evolve the strategy of the Combined Group through three phases:

- **Focus:** complete the integration of the two businesses alongside initiation of the delivery of the anticipated cost synergies, development of the Combined Group's product and services, and start to leverage the platform to enable revenue growth on the basis of the broader offering;
- **Drive:** complete the initiatives around the cost synergies, product and service portfolio and platform, and initiate service diversification into complementary markets alongside exploring further market and geographic growth opportunities; and
- **Broaden:** accelerate the service diversification and exploration of market and geographic growth opportunities.

Governance

The Combined Group will draw on the array of talent and experience in both companies to drive the business forward. Following the Merger, it is intended that the Combined Group will have a Board comprising members of both Northgate and Redde's existing Boards.

- Avril Palmer-Baunack, currently non-executive chairman of Northgate, will become non-executive chairman of the Combined Group;
- Martin Ward, currently CEO of Redde, will become CEO of the Combined Group; and
- Philip Vincent, currently CFO of Northgate, will become CFO of the Combined Group.

In addition, John Davies and Mark McCafferty, currently non-executive directors of Redde, and Stephen Oakley, currently CFO of Redde, will join the Board of Northgate as non-executive directors from Completion. William Spencer, John Pattullo OBE, Claire Miles, Mark Butcher and Fernando Cogollos, currently non-executive directors of Northgate, will remain on the Board of Northgate following Completion. Mark Chessman, currently chief operating officer of Redde, will step down from the Board of Redde upon Completion.

It is intended that, following Completion, the composition and size of the Board of Northgate will be reviewed with a view to ensuring that the Board of Northgate is commensurate with the size and nature of the Combined Group.

In conjunction with the proposed governance arrangements and board composition of the Combined Group, Northgate confirmed in the Announcement that Kevin Bradshaw had stepped down, by agreement with the Board of Northgate, from his position as a director and CEO of Northgate on that day and with immediate effect.

Employees

Northgate attaches great importance to the skills and experience of the existing management and employees of Redde and Northgate and believes that they will benefit from greater opportunities within the Combined Group following the Merger. Northgate confirms that it intends to safeguard fully the existing statutory and contractual employment and pension rights of the Redde Group's employees and management and to make no material changes to the conditions of employment or change to the balance of skills and functions of employees across the Redde Group.

The Board of Northgate recognises that in order to achieve the expected benefits of the Merger, it will be necessary to perform a detailed review of how best to integrate the two businesses. Northgate believes that there is the potential to generate cost savings in the Combined Group through business, operational and administrative restructuring following Completion. As part of the preparation of the Northgate Quantified Financial Benefits Statement, Northgate's initial analysis has identified that there is likely to be an opportunity to rationalise certain corporate overheads and support functions, including public company related costs and central functions, and that there may be duplication at a limited number of operational branches capable of rationalisation without impacting customers. At this stage, Northgate has not yet developed a proposal as to how such integration and restructuring would be implemented and will only be able to develop and implement such proposals once the Combined Group has completed its review, which is expected to take at least three months following Completion.

Subject to the outcome of the detailed review of the integration options, it is possible that there may be a low to mid-single digit percentage reduction in the Combined Group's headcount, where there is duplication across Northgate's and Redde's existing corporate and support functions. At this early stage in integration planning, the Combined Group has not yet developed a proposal as to how any such headcount reductions might be implemented and will only develop and implement such a proposal once the review referred to above has been completed. The Combined Group will aim to retain the best talent and will consult as appropriate with relevant employees, employee representatives and other stakeholders before any proposals are finalised.

Northgate Share Plans

Northgate and Redde have agreed that the participants in the Northgate Share Plans will, so far as possible, be treated equitably with the participants in the Redde Share Plans. In order to achieve that

equitable treatment, it is expected that the terms of certain of the Northgate Share Plans will be adjusted and that performance conditions that would not be relevant in the context of the Combined Group would be tested on Completion and the awards would thereafter be conditional only upon continued employment with the Combined Group. Northgate will seek shareholder approval for an amendment to its directors' remuneration policy so that the CFO's awards can be treated in a manner that is consistent with all other Northgate employees.

Northgate Value Creation Plan

The Board of Northgate has proposed to introduce a new long-term incentive plan (the "**Value Creation Plan**") for a small number of senior employees in the Combined Group, including the CEO, to support in the delivery of the integration of Northgate and Redde and in the delivery of the anticipated strategic benefits of the Merger.

The Value Creation Plan provides a clear link between the remuneration of the participants and the creation of value for shareholders by rewarding the delivery of significant, sustainable absolute returns to shareholders over the long-term. The award has no value on grant but gives the participants the opportunity to share in a proportion of the total value created for shareholders above a hurdle over a performance period of at least three and a half years.

Awards take the form of entitlements to acquire ordinary shares in Northgate at nil or nominal cost (or as cash-settled equivalents). The number of ordinary shares to which a participant is entitled is determined by reference to the shareholder value created. Each participant's award will represent a percentage of the shareholder value created. A minimum compound annual growth rate (**CAGR**) in total shareholder return of 5% must be achieved above the initial share price in order for participants to receive any awards and participants only receive a share of value created above that level.

Participants will be able to sell sufficient shares to cover any tax or national insurance liabilities arising and up to one third of the after tax shares. The remaining shares will be subject to a further two year holding period following completion of the performance period.

The value that can be delivered by the Value Creation Plan is linked to the shareholder value created over the relevant performance period. A minimum CAGR in total shareholder return of 5% must be achieved above an initial share price following announcement of the Merger. The total pool for all participants in the scheme will be 5% of the growth in total shareholder return above the hurdle where the CAGR is between 5% and 10%, reducing to 2.75% once a CAGR of 10% is achieved and to 0.5% once a CAGR of 30% is achieved. The value of the pool will then be divided by the 40 dealing day volume weighted average share price to determine the number of shares to be issued under the plan. The maximum allocations of the pool to the CEO will be 45%.

A total cap of 2.0% of the issued share capital of Northgate will apply on vesting of all awards under the VCP. There is a cap of 0.9% for the CEO and a proportionate cap for other executive Directors of the Combined Group and participants. The Northgate remuneration committee may set a lower cap for any participant by reference to a fixed monetary amount or a fixed number of shares.

At the discretion of the Northgate remuneration committee, a portion of an award may be subject to additional performance conditions.

Awards to executive Directors of the Combined Group or eligible employees who leave at any time prior to vesting will lapse unless they leave by reason of death, retirement, ill health, injury or disability, redundancy, on the sale out of the Combined Group of the participant's employing company or business or in other circumstances at the discretion of the remuneration committee (**good leavers**).

Awards for good leavers will normally vest on the original vesting date, on assessment of the performance criteria at that time, and will normally be pro-rated on the basis of the period of time after the grant date and ending on the date of cessation relative to the performance period.

In the event of a change of control, the scheme will be assessed by reference to the performance criteria at that time. The Northgate remuneration committee will retain discretion to modify the vesting outcome in any particular case if it considers it appropriate.

An award may be satisfied with new issue shares, a transfer of treasury shares or shares purchased in the market.

Northgate requires shareholder approval to introduce the Value Creation Plan. It is expected that the required resolution will be proposed at the Northgate Shareholder Meeting.

Other senior employees of the Combined Group will receive share awards under the existing Northgate EPSP consistent with Northgate's existing practice.

As required by, and solely for the purposes of, Rule 16.2 of the Takeover Code, J.P. Morgan Cazenove has (in its capacity as independent adviser to Redde for the purposes of Rule 3 of the Takeover Code) reviewed the terms of the Value Creation Plan together with other information deemed relevant and advised Redde that the terms of the Value Creation Plan are fair and reasonable so far as the Redde Shareholders are concerned. In providing its advice, J.P. Morgan Cazenove has taken into account the commercial assessments of the Redde Directors.

Locations, headquarters and research and development

Management recognise that it is in the Combined Group's best interest for the head office functions of both Northgate and Redde to be combined. While an initial assessment has been undertaken as part of the preparation of the Northgate Quantified Financial Benefits Statement, following Completion the Combined Group will consider the migration and rationalisation of the combined corporate head office function to allow for the better integration of both businesses and may result in the rationalisation of the Combined Group's head office locations. A number of options are under consideration but no decision has been taken on the preferred outcome and the Combined Group will only develop and implement such a proposal once the review referred to above has been completed.

Beyond the potential changes identified above in relation to the Combined Group's branch network and corporate head office, there are no further plans to change the locations of Northgate's or Redde's operational places of business or redeploy the fixed assets of Redde.

Neither Northgate nor Redde currently has a research and development function and Northgate has no plans in this regard.

Pensions

Following Completion, the Combined Group does not intend to make any changes with regard to the agreed employer contributions into Redde's existing defined contribution pension scheme(s) or the accrual of benefits to existing members or the admission of new members to such pension schemes.

Name of the Combined Group

Upon Completion, it is intended that the name of the Combined Group will be Redde Northgate plc.

Financial year end

The financial year end of the Combined Group will be 30 April.

Other

The statements in this paragraph 6 which constitute "post-offer intention statements" for the purposes of Rule 19.6 of the Takeover Code will apply for 12 months from Completion.

Views of Redde's Board

In considering the recommendation of the Merger to Redde Shareholders, the Board of Redde has given due consideration to the confirmations that Northgate has given in relation to employees within the Combined Group. The Board of Redde welcomes the Combined Group's intentions with respect to the future operations of the business and its employees as part of a larger business combined with Northgate, in particular, Northgate's confirmation of its intention to safeguard fully the existing statutory and contractual employment and pension rights of the Redde Group's employees and management and to make no change to the balance of skills and functions of employees across the Redde Group.

7. Redde Share Plans

Participants in the Redde Share Plans will be contacted regarding the effect of the Merger on their rights and appropriate proposals will be made to such participants in due course. Details of these proposals will be set out in separate letters to be sent to participants in the Redde Share Plans.

It is expected that awards held by participants in the Redde PSP will vest as a consequence of the Merger, subject to satisfaction of the applicable performance conditions. Time pro-rating will apply to awards granted in 2018 and 2019 but not to awards granted in 2017. Participants will be offered a choice to have their awards settled wholly in Redde Shares or partly in cash, paid by Redde, sufficient to cover their tax and national insurance liability, and partly in Redde Shares, and such Redde Shares will, in each case, then be exchanged for Northgate Shares under the terms of the Scheme.

Northgate will offer participants in the Redde SAYE Plan the opportunity to exchange their options over Redde Shares (including options which have already become exercisable) granted under that plan for equivalent options over Northgate Shares in accordance with the terms of the Redde SAYE Plan.

10. Northgate Shareholder approval and the Northgate Prospectus

As a result of the size of the acquisition, the Merger constitutes a class 1 transaction for Northgate for the purposes of the Listing Rules. Accordingly, Northgate will be required to seek the approval of the Northgate Shareholders for the Merger at the Northgate Shareholder Meeting. Northgate Shareholder approval will also be required for the issuance of the New Northgate Shares under the Merger.

Northgate has sent to Northgate Shareholders the Northgate Circular summarising the background to and reasons for the Merger, which includes a notice convening the Northgate Shareholder Meeting. The Merger is conditional on, among other things, the Northgate Shareholder Resolutions being passed by the requisite majority of the Northgate Shareholders at the Northgate Shareholder Meeting, which will be held at 10.00 am on Wednesday 15 January 2020 at Freshfields Bruckhaus Deringer LLP, 65 Fleet Street, London EC4Y 1HS. The directors of Northgate have unanimously recommended to Northgate Shareholders to vote in favour of the Northgate Shareholder Resolutions at the Northgate Shareholder Meeting.

Northgate will also propose certain other resolutions which shall be voted on by its shareholders at the Northgate Shareholder Meeting but which, unlike the Northgate Shareholder Resolutions, are not Conditions to the Merger. These resolutions comprise:

- a resolution relating to a change of Northgate's name to "Redde Northgate plc" from the Effective Date; and
- two resolutions relating to (i) amendments required in connection with the Merger to Northgate's directors' remuneration policy and (ii) a new share scheme proposed to be implemented by Northgate following the Effective Date, a participant in which shall include Martin Ward as CEO of the Combined Group.

The directors of Northgate have unanimously recommended to Northgate Shareholders to vote in favour of these resolutions, in addition to the Northgate Shareholder Resolutions, at the Northgate Shareholder Meeting.

Northgate has also produced the Northgate Prospectus in connection with the issue of the New Northgate Shares and their Admission. A copy of the Northgate Prospectus accompanies this document and is also available on Redde's website, www.redde.com, and on Northgate's website, www.northgateplc.com. A hard copy, subject to applicable securities laws, can be requested by contacting the Company's registrars, Link Asset Services, whose contact details are set out on page 9 of this document.

11. The Redde Directors and the effect of the Scheme on their interests

The names of the Redde Directors and the details of their interests (for the purposes of sections 820 to 825 of the Companies Act) in Redde Shares and options and awards over Redde Shares are set out in paragraphs 2 and 3 of Part 7 of this document. Redde Shares held by the Redde Directors as at the Scheme Record Time will be subject to the Scheme.

Particulars of the service contracts (including termination provisions) and letters of appointment of the Redde Directors are set out in paragraph 7(a) of Part 7 of this document.

Save as disclosed in this document, the effect of the Scheme on such interests of the Redde Directors does not differ from its effect on the like interests of any other holder of Scheme Shares.

As referred to in paragraph 6 of this Part 2, Martin Ward will become CEO, and an executive director, of the Combined Group following the Merger. In connection with such appointment, it is intended that Martin Ward will enter into a new service agreement with the Combined Group, further details of which are set out in paragraph 7(b) of Part 7 of this document.

12. Listing of the New Northgate Shares and de-listing of the Redde Shares

Listing of the New Northgate Shares

Applications will be made to the FCA for the New Northgate Shares to be admitted to the premium listing segment of the Official List and to the London Stock Exchange for the New Northgate Shares to be admitted to trading on the London Stock Exchange's Main Market.

It is expected that Admission will become effective, and that dealings for normal settlement in the New Northgate Shares will commence on the London Stock Exchange, at 8.00 am on the first Business Day following the Effective Date.

No application has been made or is currently intended to be made by Northgate for the New Northgate Shares to be admitted to listing or trading on any other exchange.

De-listing of the Redde Shares and re-registration of Redde

Prior to the Scheme becoming Effective and subject to the applicable requirements of the AIM Rules, application will be made to the London Stock Exchange for the cancellation of the admission of the Redde Shares to trading on AIM following the Effective Date. Following the Effective Date, Redde will be re-registered as a private company.

On the basis of the indicative timetable set out on page 13 of this document, it is intended that dealings in Redde Shares will be suspended at 5.00 p.m. (London time) on the Business Day prior to the Effective Date and no transfers shall be registered after that time.

Once the Scheme becomes Effective, Redde will become a wholly-owned subsidiary of Northgate and share certificates in respect of Redde Shares will cease to be valid and entitlements to Redde Shares held within the CREST system will be cancelled. In addition, every Redde Shareholder shall be bound at the request of Redde to deliver up their share certificate(s) to Redde (or any person appointed by Redde to receive the same) or to destroy the same.

13. Overseas Shareholders

(a) General

The availability of the Scheme and the Merger to Overseas Shareholders may be affected by the laws of other jurisdictions. Overseas Shareholders should inform themselves about, and should observe, all applicable legal requirements. It is the responsibility of all Overseas Shareholders to satisfy themselves as to the full compliance of the laws of the jurisdiction in which they are situated in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, or the compliance with other necessary formalities which are required to be observed and the payment of any issue, transfer or other taxes due in such jurisdiction. Redde Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

In any case, if, in respect of a Redde Shareholder who is resident or has a registered address in a jurisdiction outside the United Kingdom or the United States or whom Northgate reasonably believes to be a citizen, resident or national of a jurisdiction outside the United Kingdom or the United States, Northgate is advised that the law of a country or territory outside the United Kingdom and the United States:

- (i) precludes the allotment, issue and/or delivery to that Redde Shareholder of New Northgate Shares; or
- (ii) precludes the allotment, issue and/or delivery to that Redde Shareholder of New Northgate Shares, except after compliance by the Company or Northgate (as the case may be) with any governmental or other consent or any registration, filing or other formality with which the Company and/or Northgate is unable to comply or compliance with which the Company and/or Northgate (as the case may be) regards as unduly onerous,

then Northgate may, in its sole discretion, determine that such New Northgate Shares shall not be allotted, issued and delivered to such Redde Shareholder but shall instead be allotted, issued and delivered to a person appointed by Northgate to hold such shares for such shareholder on terms that such person shall, as soon as practicable following the time and date on which this Scheme becomes effective, sell the relevant shares so issued.

Any such sale shall be carried out at the best price which can reasonably be obtained at the time of sale and the net proceeds of such sale (after the deduction of all expenses and commissions incurred in connection with such sale, including any value added tax payable on the proceeds of sale) shall be paid to the relevant Redde Shareholder by sending a cheque in accordance with

the terms of the Scheme. Any remittance of the net proceeds of the sale referred to shall be at the risk of the relevant Redde Shareholder.

Overseas Shareholders should consult their own legal and tax advisers with respect to the legal and tax consequences of the Merger in their particular circumstances.

Nothing in this document or the accompanying documents should be relied upon for any other reason or purpose. This document and the accompanying documents are for information purposes only and neither this document nor the accompanying documents are intended to, and do not, constitute an offer or invitation to sell, purchase, subscribe for or issue any securities or the solicitation of an offer to buy or subscribe for securities in any jurisdiction in which such offer or solicitation is unlawful.

This document will not be made available, directly or indirectly, in or into or by use of the mails or any other means or instrumentality (including, without limitation, telephonic or electronic) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, a Restricted Jurisdiction, and no person may vote in favour of (or against) the Merger by any such use, means, instrumentality or facility or from within a Restricted Jurisdiction. Copies of this document and formal documentation relating to the Merger are not being, and must not be, directly or indirectly, mailed or otherwise forwarded or distributed in, into or from a Restricted Jurisdiction and persons receiving this document (including custodians, nominees and trustees) must not distribute or send it in, into or from a Restricted Jurisdiction.

(b) ***US securities law***

The New Northgate Shares have not been, and, unless Northgate otherwise elects in the event of a Takeover Offer, will not be, registered under the US Securities Act or under the securities laws of any state, district or other jurisdiction of the United States and are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof. For the purposes of qualifying for the exemption from the registration requirements of the US Securities Act afforded by Section 3(a)(10) thereof, Redde will advise the Court that its sanctioning of the Scheme will be relied upon by Northgate as an approval of the Scheme following a hearing on fairness of the Scheme to Redde Shareholders.

All Redde Shareholders are entitled to attend such Court hearing in person or through counsel to support or oppose the sanctioning of the Scheme and notification of such Court hearing will be given to all such Redde Shareholders.

The New Northgate Shares generally should not be treated as "restricted securities" within the meaning of Rule 144(a)(3) under the US Securities Act and persons who receive securities under the Scheme (other than "affiliates" as described in the paragraph below) may resell them without restriction under the US Securities Act.

Under US securities laws, persons who are or will be deemed to be affiliates (as defined under the US Securities Act) of Redde or Northgate prior to, or of Northgate after, the Effective Date may not resell the New Northgate Shares received under the Scheme without registration under the US Securities Act, except pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act. Whether a person is an affiliate of a company for such purposes depends upon the circumstances, but affiliates of a company can include certain officers and directors and significant shareholders. Redde Shareholders who believe they may be affiliates for the purposes of the US Securities Act should consult their own legal advisers prior to any resale of New Northgate Shares received under the Scheme.

(c) ***Other overseas securities laws***

Unless otherwise determined by Redde or required by the Takeover Code and permitted by applicable law and regulation, the Merger will not be made available, directly or indirectly, in, into or from a jurisdiction where to do so would violate the laws in that jurisdiction and no person

may vote in favour of the Merger by any such use, means, instrumentality or form within any jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

Accordingly, unless otherwise determined by Northgate or Redde or required by the Takeover Code and permitted by applicable law and regulation, copies of this document and all documents relating to the Merger are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this document and all documents relating to the Merger (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction. Any person (including, without limitation, any custodian, nominee and trustee) who would, or otherwise intends to, or who may have a contractual or legal obligation to, forward this document and/or any other related document to any jurisdiction outside the United Kingdom or the United States should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction.

14. United Kingdom taxation

A summary of relevant UK taxation, which is intended as a general guide only, is set out in paragraph 15 of Part 7 of this document. If you are in any doubt as to your tax position, or you are subject to taxation in a jurisdiction other than the United Kingdom, you are strongly advised to consult an appropriate independent professional adviser.

15. Settlement, mandates and communication preferences

(a) *Scheme Shares held in certificated form*

New Northgate Shares will be allotted and issued to those Redde Shareholders who hold their Redde Shares in certificated form at the Scheme Record Time. Pending the despatch of share certificates for New Northgate Shares, issues of New Northgate Shares will be certified against the register of members of Northgate.

In the case of Redde Shareholders who hold Redde Shares in certificated form at the Scheme Record Time and who are either entitled to payment in respect of fractions of New Northgate Shares or are treated as Restricted Persons, Northgate shall procure the despatch to the persons entitled thereto of cheques for the sums payable to them respectively.

However, in relation to fractions of New Northgate Shares, entitlements to amounts of less than £5 (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) will not be paid to the relevant Redde Shareholders, but shall be retained for the benefit of Northgate.

All documents and remittances sent through the post will be sent at the risk of the person(s) entitled thereto.

(b) *Scheme Shares held in uncertificated form through CREST*

The Northgate Directors will apply for the New Northgate Shares to be admitted to CREST so that settlement of transactions in New Northgate Shares following Admission can take place in uncertificated form within the CREST system. For Redde Shareholders who held their Redde Shares in uncertificated form at the Scheme Record Time, New Northgate Shares to which the Redde Shareholder is entitled will be issued in uncertificated form through CREST. The ISIN number for the New Northgate Shares will be GB00B41H7391. Northgate will procure that Euroclear is instructed to credit the appropriate stock account in CREST of the relevant Redde Shareholders with such Redde Shareholder's entitlement to such New Northgate Shares as soon as practicable after the Scheme becomes Effective and in any event within 14 days of the Effective Date.

Redde Shares held in uncertificated form will be disabled in CREST as at the Scheme Record Time, being 6.00 pm on the date of the Scheme Court Hearing.

In the case of Redde Shareholders who hold Redde Shares in uncertificated form at the Scheme Record Time and who are entitled to payment in respect of fractions of New Northgate Shares

(other than any Redde Shareholders who are treated as Restricted Persons), Northgate shall procure that Euroclear is instructed to create an assured payment obligation in favour of the payment bank of the persons entitled thereto in accordance with the CREST assured payment arrangements for the sums payable to them respectively, provided that Northgate reserves the right to make payment of the said sums by cheque as set out in the paragraph below if, for reasons outside its reasonable control, it is not able to effect settlement within the CREST system in accordance with this paragraph. However, in relation to fractions of New Northgate Shares, fractional entitlements to amounts of less than £5 (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) will not be paid to the relevant Redde Shareholders who would otherwise be entitled to them under the Merger, but shall instead be retained for the benefit of Northgate.

In the case of Redde Shareholders who hold Redde Shares in uncertificated form at the Scheme Record Time and are treated as Restricted Persons, Northgate shall procure the despatch to the persons entitled thereto of cheques for the sums payable to them respectively. However, in relation to fractions of New Northgate Shares, entitlements to amounts of less than £5 (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) will not be paid to the relevant Redde Shareholders, but shall be retained for the benefit of Northgate.

Northgate reserves the right to issue New Northgate Shares to any Scheme Shareholders holding their Redde Shares in CREST in the manner referred to in the above paragraph 15(a) of this Part 2 if, for any reason, it wishes to do so.

All remittances sent through the post will be sent at the risk of the person(s) entitled thereto.

(c) ***Mandates and communication preferences***

Under the terms of the Scheme, all mandates and other instructions, including communication preferences given to Redde by Redde Shareholders and in force at the Scheme Record Time shall, unless and until revoked, be deemed as from the Effective Date to be valid and effective mandates or instructions to Northgate in relation to the New Northgate Shares, except to the extent that a Redde Shareholder already holds Northgate Shares at the Scheme Record Time (and Link Asset Services is able to match such holdings), in which case any mandates and instructions in relation to those existing Northgate Shares will also apply to the New Northgate Shares received by that Redde Shareholder under the terms of the Scheme. If you do not wish any mandates and other instructions, including communications preferences that you have given to Redde, to apply to your New Northgate Shares, please contact Link Asset Services on the shareholder helpline (telephone number: +44 (0) 371 664 0321) before the Scheme Record Time to amend or withdraw such mandates or instructions.

16. Shareholder Meetings and the Scheme Court Hearing

Before the Court's sanction of the Scheme can be sought, the Scheme will require approval by the Scheme Shareholders at the Court Meeting, the passing of the Redde Special Resolution by Redde Shareholders at the Redde General Meeting and the passing of the Northgate Shareholder Resolutions by the Northgate Shareholders. Notices of the Meetings are set out in Parts 9 and 10 of this document. Shareholders' entitlement to attend and vote at the Meetings and the number of votes which may be cast at them will be determined by reference to the register of members of Redde at the Scheme Voting Record Time or, if such Meetings are adjourned, on the register of members at 6.00 pm on the day that is two Business Days before the relevant adjourned Meeting. If the Scheme becomes Effective, it will be binding on all Scheme Shareholders including those who did not vote or who voted against the Scheme or the Redde Special Resolution.

(a) ***The Court Meeting***

You will find set out in Part 9 of this document the notice of the Court Meeting of the Scheme Shareholders which has been convened at the direction of the Court for the purpose of the Scheme Shareholders considering and, if thought fit, approving the Scheme.

The Court Meeting has been convened for 10.00 am on Wednesday 15 January 2020 at the offices of Bryan Cave Leighton Paisner LLP, Adelaide House, London Bridge, London EC4R 9HA.

At the Court Meeting, voting will be by way of poll and not a show of hands and each Scheme Shareholder present in person or by proxy will be entitled to one vote for each Scheme Share held. The approval required at the Court Meeting is a majority in number of those Scheme Shareholders present and voting, whether in person or by proxy, at the Court Meeting representing not less than 75 per cent. of the Scheme Shares voted by such Scheme Shareholders.

Scheme Shareholders have the right to raise any objections they may have to the Scheme at the Court Meeting.

IT IS IMPORTANT THAT, FOR THE COURT MEETING, AS MANY VOTES AS POSSIBLE ARE CAST (WHETHER IN PERSON OR BY PROXY) SO THAT THE COURT MAY BE SATISFIED THAT THERE IS A FAIR REPRESENTATION OF THE OPINION OF SCHEME SHAREHOLDERS. YOU ARE THEREFORE STRONGLY URGED TO SIGN AND RETURN YOUR FORMS OF PROXY OR APPOINT A CREST PROXY AS SOON AS POSSIBLE, AND, IN ANY EVENT SO AS TO BE RECEIVED BY 10.00 AM ON MONDAY 13 JANUARY 2020 FOR THE COURT MEETING. A FORM OF PROXY FOR THE COURT MEETING NOT LODGED AT THE RELEVANT TIME MAY BE HANDED IN TO THE CHAIRMAN OF THE COURT MEETING OR THE REGISTRAR BEFORE THE TAKING OF THE POLL AT THE COURT MEETING.

(b) ***The Redde General Meeting***

In addition to the Court Meeting, the Redde General Meeting has been convened at the offices of Bryan Cave Leighton Paisner LLP, Adelaide House, London Bridge, EC4R 9HA at 10.15 am on Wednesday 15 January 2020 (or as soon thereafter as the Court Meeting is concluded or adjourned) to consider and, if thought fit, pass the Redde Special Resolution (which requires a vote in favour of not less than 75 per cent. of the votes cast either in person or by proxy at the Redde General Meeting) to:

- authorise the Redde Directors to take all actions as they may consider necessary or appropriate to give effect to the Scheme; and
- approve certain amendments to the articles of association of Redde to ensure that, subject to the Scheme becoming Effective, any Redde Shares issued to any person (including any participant in the Redde Share Plans) (other than to Northgate and/or its nominees) at or after the Scheme Record Time will be compulsorily acquired by, or to the order of, Northgate, in consideration of (subject to certain terms and conditions) the issue of New Northgate Shares or payment of cash consideration on the same basis as under the Scheme.

Voting on the Redde Special Resolution will be held by way of poll and not a show of hands and each Redde Shareholder present in person or by proxy will be entitled to one vote for every ordinary share held.

You will find the notice of the Redde General Meeting set out in Part 10 of this document. The quorum for the Redde General Meeting will be two or more Redde Shareholders present in person or by proxy.

Due to the length of time anticipated to be required to calculate the result of the poll, the result may not be announced at the Redde General Meeting. The result of the vote at the Redde General Meeting will be publicly announced by Redde via a Regulatory Information Service as soon as practicable after it is known and, in any event, by no later than 8.00 a.m. on the Business Day following the Redde General Meeting.

(c) ***The Scheme Court Hearing***

Under the Companies Act, the Scheme also requires the sanction of the Court. The Scheme Court Hearing to sanction the Scheme is currently expected to be held in the first quarter of 2020, subject to the prior satisfaction or waiver of the other Conditions set out in Part 4 of this document.

All Scheme Shareholders are entitled to attend the Scheme Court Hearing in person or to be represented by counsel to support or oppose the sanctioning of the Scheme.

Northgate has confirmed that, subject to the prior satisfaction or, where applicable, waiver of the other Conditions set out in Part 4 of this document it will be represented by counsel at the Scheme Court Hearing so as to consent to the Scheme and to undertake to the Court to be bound by the Scheme.

The Scheme will become Effective in accordance with its terms on delivery of the Scheme Court Order to the Registrar of Companies.

(d) ***Modifications to the Scheme***

The Scheme contains a provision for Redde and Northgate to consent on behalf of all persons affected to any modification of, or addition to, the Scheme or to any condition approved or imposed by the Court. The Court would be unlikely to approve any modification of, or additions to, or impose a condition to the Scheme which might be material to the interests of the Scheme Shareholders, unless Scheme Shareholders were informed of any modification, addition or condition.

It would be a matter for the Court to decide, in its discretion, whether or not a further meeting of Scheme Shareholders should be held in these circumstances. Similarly, if a modification, addition or condition is put forward which in the opinion of the Redde Directors is of such a nature or importance that it requires the consent of Scheme Shareholders at further meeting, the Redde Directors will not take the necessary steps to enable the Scheme to become Effective unless and until such consent is obtained.

(e) ***Conditions of the Scheme***

The implementation of the Scheme in full is conditional upon satisfaction or, where applicable, waiver of the Conditions, which are set out in full in Part 4 of this document and it is important that Redde Shareholders read Part 4 in full. The Conditions include, amongst others:

- the Court Meeting and the Redde General Meeting being held by 6 February 2020 (or such later date as may be agreed between Redde and Northgate);
- the Northgate Shareholder Meeting being held by the 22nd day after the expected date of the Northgate Shareholder Meeting set out in the Northgate Circular (or such later date as may be agreed between Redde and Northgate);
- the Scheme Court Hearing being held by the 22nd day after the expected date of such hearing, which is expected to be no later than 14 days following the satisfaction or, where applicable, waiver, or Conditions in paragraphs 6 and 7 in Part A of Part 4 of this document (or such later date as may be agreed between Redde and Northgate);
- the Scheme becoming Effective by the Longstop Date;
- the Scheme being approved by a majority in number of the holders of Scheme Shares who are present, entitled to vote and vote at the Court Meeting, or at any adjournment thereof, either in person or by proxy, representing not less than 75 per cent. in value of the Scheme Shares voted by such holders;
- the Redde Special Resolution being duly passed by the requisite majority of the Redde Shareholders at the Redde General Meeting, or at any adjournment thereof;
- the Merger and the allotment and issue of the New Northgate Shares being approved at the Northgate Shareholder Meeting by the requisite majority of Northgate Shareholders (described in more detail in paragraph 10 of this Part 2 above);
- the relevant approvals required from the FCA and the SRA in connection with the Merger being obtained;
- the sanction of the Scheme by the Court (with or without modifications, on terms agreed by Redde and Northgate);

- delivery of a copy of the Scheme Court Order to the Registrar of Companies; and
- receipt by Northgate or Redde of the necessary merger and other regulatory clearances.

If the Scheme becomes Effective, it will be binding on all Scheme Shareholders irrespective of whether or not they attended or voted in favour of the Scheme at the Court Meeting or in favour of the Redde Special Resolution at the Redde General Meeting. If the Scheme does not become Effective by the Longstop Date, the Scheme will lapse and will not proceed.

(f) ***Fractional entitlements***

Fractions of New Northgate Shares will not be issued to Scheme Shareholders under the Scheme. Fractional entitlements to New Northgate Shares will be aggregated and sold in the market and the net proceeds of sale distributed pro rata to the relevant Scheme Shareholders. However, individual entitlements to amounts (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) of less than £5 will not be paid to the relevant Scheme Shareholder but will be retained for the benefit of Northgate.

17. Alternative means of implementing the Merger

Northgate reserves the right to elect (with the consent of the Panel, and subject to the approval of Redde or as otherwise permitted under the terms of the Co-operation Agreement) to implement the acquisition of the Redde Shares by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect the terms of the Co-operation Agreement and, among other things, the change in structure by which the Merger is to be implemented and compliance with all applicable laws.

If the Merger is effected by way of a Takeover Offer and such Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Northgate intends to: (i) request the London Stock Exchange and the FCA to cancel trading in Redde Shares on the Main Market and the listing of the Redde Shares from the Official List; and (ii) exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act to acquire compulsorily the remaining Redde Shares in respect of which the Takeover Offer has not been accepted.

18. Return of documents of title

If the Scheme is withdrawn or lapses, documents of title submitted and other documents lodged with either Form of Proxy (if any) will be returned to the relevant Redde Shareholder as soon as practicable and in any event within 14 days of such lapse or withdrawal.

19. Action to be taken

IT IS IMPORTANT THAT, FOR THE COURT MEETING, AS MANY VOTES AS POSSIBLE ARE CAST (WHETHER IN PERSON OR BY PROXY) SO THAT THE COURT MAY BE SATISFIED THAT THERE IS A FAIR REPRESENTATION OF THE OPINION OF THE SCHEME SHAREHOLDERS. YOU ARE THEREFORE STRONGLY URGED TO SIGN AND RETURN YOUR FORMS OF PROXY OR APPOINT A CREST PROXY AS SOON AS POSSIBLE.

(a) ***Sending Forms of Proxy by post or by hand***

You will find enclosed with this document:

- a pink Form of Proxy for use in respect of the Court Meeting;
- a blue Form of Proxy for use in respect of the Redde General Meeting; and
- a prepaid envelope for use in the United Kingdom.

Whether or not you plan to attend either or both of the Meetings, please complete and sign each of the accompanying Forms of Proxy and return them in accordance with the instructions printed thereon, as soon as possible, but in any event, so as to be received by post or by hand (during

normal business hours) to the Registrar, Link Asset Services, at PXS, 34 Beckenham Road, Beckenham, Kent, BR3 4TU by 10.00 am on Monday 13 January 2020 in the case of the Court Meeting and by 10.15 am on Monday 13 January 2020 in the case of the Redde General Meeting (or, in the case of adjournment, not later than 48 hours before the time fixed for the holding of the adjourned meeting (excluding non-Business Days)). If the pink Form of Proxy for use at the Court Meeting is not lodged by 10.00 am on Monday 13 January 2020, it may be handed to the chairman of the meeting or the Registrar on behalf of the chairman at the Court Meeting before the taking of the poll at the Court Meeting and will still be valid. However, in the case of the Redde General Meeting, unless the blue Form of Proxy is lodged so as to be received by 10.15 am on Monday 13 January 2020, it will be invalid. A Redde Shareholder may appoint more than one proxy in respect of the Redde General Meeting and/or the Court Meeting provided that in respect of each Meeting each proxy is appointed to exercise the rights attached to different shares held by that Shareholder. Shareholders' attention is drawn to the fact that where they return Forms of Proxy without denoting their voting preference, the proxy will vote or abstain from voting in his discretion. The completion and return of a Form of Proxy will not prevent you from attending and voting at either the Court Meeting or the Redde General Meeting, or any adjournment thereof, in person should you wish to do so.

(b) ***Electronic appointment of proxies through CREST***

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meetings and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by not later than 48 hours before the time fixed for the holding of the meeting or the adjourned meeting (excluding non-Business Days). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CREST does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Redde may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the CREST Regulations.

(c) ***Shareholder Helpline***

If you have any queries please contact Link Asset Services on +44 (0) 371 664 0321. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 am – 5.30 pm, Monday to Friday excluding public holidays in England and Wales. Different

charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Merger nor give any financial, legal or tax advice.

20. Risk Factors

Redde Shareholders should consider fully and carefully the risk factors associated with the Combined Group and the Merger. Your attention is drawn to the "Risk Factors" section of the Northgate Prospectus accompanying this document, which contains, inter alia, further information on Redde, Northgate and the New Northgate Shares. A copy of the Northgate Prospectus will also be made available on Redde's website, www.redde.com.

21. Further information

The terms of the Scheme are set out in full in Part 3 of this document. Your attention is also drawn to the letter from your Chairman set out in Part 1 of this document and the Additional Information set out in Part 7 of this document.

- (b) The Scheme Shares shall be transferred to Northgate (and/or its nominee(s)) and such transfer shall be effected by means of a form or forms of transfer or other instrument or instruction of transfer and, to give effect to such transfers, any person may be appointed by Northgate as attorney and/or agent and/or otherwise, and shall be authorised as such attorney and/or agent and/or otherwise on behalf of the relevant Holder of Scheme Shares to execute and deliver as transferor a form of transfer or other instrument or instruction of transfer, or procure the transfer by means of CREST, of such Scheme Shares and every form, instrument or instruction of transfer so executed shall be as effective as if it had been executed by the Holder or Holders of the Scheme Shares thereby transferred.
- (c) With effect from the Effective Time and until the registration of Northgate (and/or its nominee(s)) as the Holder of the Scheme Shares to reflect the transfer pursuant to Clauses 1(a) and 1(b) of this Scheme:

 - (ii) each Scheme Shareholder irrevocably appoints Northgate and/or any one or more of its directors or agents to sign on behalf of such Scheme Shareholder such documents, and do such things, as may in the opinion of Northgate and/or any one or more of its directors or agents be necessary or desirable in connection with the exercise of any votes or other rights or privileges attaching to the relevant Scheme Shares (including without limitation, an authority to sign any consent to short notice of a general or separate class meeting of Redde as attorney or agent for, and on behalf of, such Scheme Shareholder and/ or to attend and/or execute a form of proxy in respect of such Scheme Shares appointing any person nominated by Northgate and/or any one or more of its directors or agents to attend general and separate class meetings of Redde (or any adjournment thereof) and to exercise or refrain from exercising the votes attaching to the Scheme Shares on such Scheme Shareholder's behalf);
 - (iii) each Scheme Shareholder irrevocably authorises Redde and/or its agents to send to Northgate at its registered office any notice, circular, warrant or other document or communication which may be required to be sent to such Scheme Shareholder as a member of Redde in respect of their Scheme Shares (including any share certificate(s) or other document(s) of title issued as a result of conversion of their Scheme Shares into certificated form); and

2. Consideration for the transfer of the Scheme Shares

- (a) In consideration for the transfer of the Scheme Shares to Northgate and/or its nominee(s) referred to in Clause 1 of this Scheme, Northgate shall, subject as hereinafter provided, allot and issue New Northgate Shares to (or for the account of) each Scheme Shareholder (as appearing in the register of members of Redde at the Scheme Record Time) on the following basis:

for each Scheme Share

0.3669 New Northgate Shares

- (b) If, after the date of the Announcement, any dividend, distribution or return of capital is declared, made or paid or becomes payable in respect of the Redde Shares (other than, or in excess of, any Permitted Redde Dividend or any Redde Equalisation Dividend) with a record date on or before the Effective Date (each a "**Non-Permitted Redde Dividend**"), Northgate reserves the right to reduce the Exchange Ratio accordingly so as to reflect the aggregate value attributable to any such Non-Permitted Redde Dividend.
- (c) If, after the date of the Announcement, any dividend (other than, or in excess of, any Permitted Northgate Dividend), distribution or return of capital is declared, made or paid or becomes payable in respect of the Northgate Shares with a record date on or before the Effective Date (a "**Non-Permitted Northgate Dividend**"), then Redde will be entitled (in addition to any Permitted Redde Dividend) to declare and pay, and the Redde Shareholders will be entitled to receive and retain an equalisation dividend in Sterling (the "**Redde Equalisation Dividend**") in respect of the Redde Shares of an amount per Redde Share equal to the amount of the Non-Permitted Northgate Dividend per Northgate Share multiplied by the Exchange Ratio (taking into account any reduction to the Exchange Ratio arising as a result of any Non-Permitted Redde Dividends in accordance with Clause 2(b) above).
- (d) The New Northgate Shares allotted and issued pursuant to Clause 2(a) shall be issued credited as fully paid and shall rank *pari passu* in all respects with the Northgate Shares in issue at the Effective Time, including the right to receive and retain in full all dividends and other distributions (if any) announced, declared, made or paid, or any other return of capital (whether by reduction of share capital or share premium account or otherwise) made, in each case, by reference to a record date falling after the Effective Date. Scheme Shareholders who receive New Northgate Shares pursuant to the Scheme shall not be entitled to receive any dividend announced, declared, made or paid by Northgate by reference to a record date falling on or before the Effective Date.

3. Overseas shareholders

- (a) The provisions of Clause 2 and Clause 4(a)(i) shall be subject to any prohibition or condition imposed by law. Without prejudice to the generality of the foregoing, if, in respect of any Scheme Shareholder who is resident, located or has a registered address in a jurisdiction outside the United Kingdom or the United States, or whom Northgate reasonably believes to be a citizen, resident or national of a jurisdiction outside the United Kingdom or the United States, Northgate is advised that the law of a country or territory outside the United Kingdom and United States:
- (i) precludes the allotment, issue and/or delivery to that Scheme Shareholder of New Northgate Shares; or
- (ii) precludes the matters referred to in Clause 3(a)(i), except after compliance by Redde or Northgate (as the case may be) with any governmental or other consent or any registration, filing or other formality with which Redde and/or Northgate is unable to comply or compliance with which Redde and/or Northgate (as the case may be) regards as unduly onerous,

then Northgate may, in its sole discretion, determine that such New Northgate Shares shall not be allotted, issued and delivered to such Scheme Shareholder but shall instead be allotted, issued and delivered to a person appointed by Northgate for such Scheme Shareholder on terms that such person shall, as soon as practicable following the Effective Time, sell the New Northgate Shares so issued.

- (b) Any sale under Clause 3(a) shall be carried out at the best price which can reasonably be obtained at the time of sale, and the net proceeds of such sale (after the deduction of all expenses and commissions incurred in connection with such sale, including any value added tax payable on the proceeds of sale) shall be paid to such Scheme Shareholder in accordance with the provisions of Clause 4.
- (c) To give effect to any sale under Clause 3(a), the person appointed by Northgate in accordance with Clause 3(a) shall be authorised as attorney or agent on behalf of the Scheme Shareholder concerned to execute and deliver as transferor a form of transfer or other instrument or instruction of transfer and to give such instructions and to do all other things which he or she may consider necessary or expedient in connection with such sale. In the absence of bad faith or wilful default, none of Redde, Northgate or the person(s) so appointed shall have any liability or for any loss or damage arising as a result of the timing or terms of any sale pursuant to this Clause 3.
- (d) Neither Northgate nor Redde will be liable to any Scheme Shareholder for any determination made pursuant to this Clause 3 or for any omission or denial made hereunder.

4. Settlement

- (a) As soon as practicable on or after the Effective Date, and in any event no later than 14 days after the Effective Date, Northgate shall:
 - (i) subject to the provisions of Clause 3 and Clause 5:
 - (A) on the Effective Date allot the New Northgate Shares which it is required to allot to Scheme Shareholders pursuant to Clause 2; and
 - (B) as soon as practicable on or after the Effective Date issue the New Northgate Shares which it is required to issue to Scheme Shareholders pursuant to Clause 2; and
 - (1) in the case of Scheme Shares which at the Scheme Record Time are in certificated form, Northgate shall deliver or procure delivery to each of the relevant Holders of share certificates for such New Northgate Shares to the persons entitled thereto in accordance with Clause 4(b); or
 - (2) in the case of Scheme Shares which at the Scheme Record Time are in uncertificated form, Northgate shall procure that Euroclear is instructed to credit the appropriate stock account in CREST of the relevant Scheme Shareholder with such Scheme Shareholder's entitlement to such New Northgate Shares, provided that Northgate reserves the right to settle all or part of such consideration in the manner set out in Clause 4(a)(i)(B)(1) if, for reasons outside its reasonable control, it is not able to effect settlement in accordance with this Clause 4(a)(i)(B)(2).
 - (ii) in the case of New Northgate Shares sold pursuant to Clause 3 (including any fractions sold pursuant to Clause 5 which are associated therewith), procure the despatch to the persons entitled thereto of cheques for the sums payable to them, respectively;
 - (iii) in the case of New Northgate Shares sold pursuant to Clause 5 and issued in respect of Scheme Shares, which, at the Scheme Record Time, are in certificated form, procure the despatch to the persons entitled thereto of cheques for the sums payable to them, respectively; and
 - (iv) in the case of New Northgate Shares sold pursuant to Clause 5 and issued in respect of Scheme Shares, which, at the Scheme Record Time, are in uncertificated form, procure that Euroclear is instructed to create an assured payment obligation in favour of the payment bank of the persons entitled thereto in accordance with the CREST assured payment arrangements for the sums payable to them, respectively, provided that Northgate reserves the right to make payment of the said sums by cheque as set out in Clause 4(a)(iii) if, for reasons outside its reasonable control, it is not able to effect settlement in accordance with the remainder of this Clause 4(a)(iv).

- (b) All share certificates and/or cheques required to be despatched by this Scheme shall be despatched by first-class post by Northgate in prepaid envelopes or by international standard post if overseas (or by such method as may be approved by the Panel) addressed to the relevant Holders entitled thereto at their respective addresses as appearing in the register of members of Redde at the Scheme Record Time (or such other address as may be notified by the relevant Scheme Shareholders to Redde before such time), or, in the case of joint Holders, at the registered address of the joint Holder whose name stands first in such register (except, in their case, as otherwise directed in writing).
- (c) All cheques required to be delivered under this Scheme shall be payable to Scheme Shareholders except that, in the case of joint Holders of Scheme Shares, Northgate reserves the right to make such cheques payable to the joint Holder whose name stands first in the register of members of Redde at the Scheme Record Time. All such cash payments shall be made in pounds sterling by cheque drawn on a branch of a clearing bank in the United Kingdom. The cashing of any such cheques or the creation of any such assured payment obligation as is referred to in Clause 4(a)(iv) shall be a complete discharge of Northgate's obligations under this Scheme to pay the money represented thereby.
- (d) None of Northgate, Redde or their agents or nominees shall be responsible for any loss or delay in the transmission or delivery of cheques and/or share certificates sent in accordance with this Scheme which shall be sent at the risk of the persons entitled thereto.
- (e) The provisions of this Clause 4 shall take effect subject to any prohibition or condition imposed by law.

5. Fractional entitlements

- (a) Notwithstanding Clause 2, no fraction of a New Northgate Share shall be allotted or issued to any Scheme Shareholder pursuant to this Scheme. Instead, the fractional entitlements of Scheme Shareholders at the Effective Time to New Northgate Shares shall be aggregated, and Northgate shall procure that the maximum whole number of New Northgate Shares resulting therefrom shall be allotted and issued to a person appointed by Northgate to hold such New Northgate Shares on behalf of the relevant Scheme Shareholders. Northgate shall procure that such New Northgate Shares are sold in the market as soon as practicable after the Effective Time and that the net proceeds of sale (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) shall be paid in due proportion to the relevant Scheme Shareholders (rounded down to the nearest penny) in accordance with the provisions of Clause 4. However, fractional entitlements to amounts (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) of £5 or less shall not be paid to the relevant Scheme Shareholders who would otherwise be entitled to them under the Merger, but shall be retained for the benefit of Northgate.
- (b) For the purposes of determining fractional entitlements, each portion of a Scheme Shareholder's holding which is recorded in the register of members of Redde by reference to a separate designation at the Scheme Record Time, whether in certificated or uncertificated form, shall be treated as a separate holding.
- (c) The person appointed by Northgate in accordance with Clause 5(a) shall be authorised to execute and deliver as transferor a form of transfer or other instrument or instruction of transfer and to give such instructions and to do all other things which he or she may consider necessary or expedient in connection with such sale. In the absence of bad faith or wilful default, none of Redde, Northgate or the persons so appointed shall have any liability for any loss or damage arising as a result of any determination made, or the timing or terms of any sale, pursuant to Clause 5(a).

6. Certificates representing Scheme Shares and cancellation of CREST entitlements

- (a) With effect from and including the Effective Time:
- (i) all certificates representing Scheme Shares shall cease to have effect as documents of title to the shares represented thereby and each Scheme Shareholder shall be bound at the request of Redde to deliver up the same to Redde or to any person nominated by Redde for cancellation, or to destroy the same;
 - (ii) in respect of Scheme Shareholders holding their shares in uncertificated form, the Company shall procure that Euroclear is instructed to cancel or transfer such Holders' entitlements to such Scheme Shares; and
 - (iii) following the cancellation of the entitlements to Scheme Shares of Scheme Shareholders in uncertificated form, Redde shall procure (if necessary) that its registrar rematerialises entitlements to such Scheme Shares.
- (b) On or as soon as reasonably practicable after the Effective Date and subject to delivery of such form or forms of transfers, instruments or instructions as may be required by Clause 1(b), and the payment of any stamp duty thereon, the Company shall procure that appropriate entries are made in the register of members of the Company to reflect the transfer of the Scheme Shares to Northgate and/or its nominee(s) pursuant to Clause 1(b) (as applicable).

7. Mandates

All mandates and other instructions, including communications preferences, which have been given to the Company by Scheme Shareholders in respect of some or all of their Scheme Shares and which remain in force at the Scheme Record Time in respect of their Scheme Shares shall, unless and until revoked or amended, be deemed as from the Effective Time to be valid and effective mandates and/or instructions (as applicable) to Northgate in relation to the New Northgate Shares issued in respect thereof, except to the extent that a Scheme Shareholder already holds one or more Northgate Shares at the Scheme Record Time (and Link Asset Services is able to match such holding), in which case any mandates and instructions in relation to those existing Northgate Shares will also apply to the New Northgate Shares received by that Scheme Shareholder.

8. Effective Time and Effective Date

- (a) This Scheme shall become effective as soon as a copy of the Court Order has been delivered to the Registrar of Companies.
- (b) Unless this Scheme has become effective on or before close of business (London time) on the Longstop Date it shall lapse and no part of this Scheme shall ever become effective.

9. Modification

The Company and Northgate may jointly consent on behalf of all persons concerned to any modification of or addition to this Scheme or to any condition which the Court may think fit to approve or impose. Any such modification or addition may require the consent of the Panel.

- 2 Subject to the requirements of the Panel, Northgate reserves the right in its sole discretion to waive:
 - (a) those parts of all or any of the Conditions in paragraph 2 of Part A of this Part 4 relating to the deadlines for the Court Meeting, Redde General Meeting and/or the Scheme Court Hearing. If any such deadline is not met, Northgate shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked

- the relevant Condition, waived the relevant deadlines or agreed with Redde to extend the relevant deadline; and
- (b) in whole or in part, all or any of (only so far as they relate to Redde, the Wider Redde Group or any part thereof) the Conditions in paragraphs 8 to 16 (inclusive) in Part A of this Part 4.
- 3 Subject to the requirements of the Panel, Redde reserves the right in its sole discretion to waive:

 - 4 Save as set out above in respect of paragraphs 2 and 3 in Part A of this Part 4, the Conditions in paragraphs 1 to 7 (inclusive) in Part A of this Part 4 cannot be waived.
 - 5 Save where Northgate has confirmed the satisfaction or waiver of all Conditions (other than the Conditions in paragraph 2 in Part A of this Part 4) pursuant to the terms of the Co-operation Agreement, Northgate shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions in Part A above by a date earlier than the latest date specified above for the fulfilment of that condition, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are, at such earlier date, no circumstances indicating that any Condition may not be capable of fulfilment.
 - 6 The Merger will lapse if the acquisition of Redde by Northgate or any other matter arising from or relating to the Scheme or the Merger is referred to the chair of the Competition and Markets Authority for the constitution of a group under Schedule 4 to the Enterprise and Reform Act 2013 before the date of the Court Meeting.
 - 7 If the Panel requires Northgate to make an offer or offers for any Redde Shares under the provisions of Rule 9 of the Takeover Code, Northgate may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.
 - 8 Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
 - 9 Under Rule 13.5(a) of the Takeover Code, Northgate may not invoke a Condition so as to cause the Merger not to proceed, to lapse or be withdrawn, unless the circumstances which give rise to the right to invoke the Condition are of material significance to Northgate in the context of the Merger. The Conditions in paragraphs 1 to 5 (inclusive) in Part A of this Part 4 are not subject to this provision of the Takeover Code.
 - 10 Under Rule 13.6 of the Takeover Code, Redde may not invoke, or cause or permit Northgate to invoke, the Condition in paragraph 13 in Part A of this Part 4 unless the circumstances which give rise to the right to invoke the Condition are of material significance to the Redde Shareholders in the context of the Merger.

Northgate reserves the right to elect to implement the Merger by way of a Takeover Offer, subject to the Panel's consent and to the terms of the Co-operation Agreement. In such event, such Takeover Offer will be implemented on the same terms, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent. or such other percentage (being more than 50 per cent.) as Northgate may in accordance with the provisions of the Co-operation Agreement decide (subject to the Panel's consent): (i) in nominal value of the shares to which such Takeover Offer relates; and (ii) of the voting rights attaching to those shares.

However, individual entitlements to amounts (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) of less than £5 will not be paid to the relevant Scheme Shareholder but will be retained for the benefit of Northgate.
- 2 Redde Shares will be acquired by Northgate fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and other third party rights of any nature whatsoever and together with all rights attaching to them as at the date of the Announcement or subsequently attaching or accruing to them, including the right to receive and retain, in full, all dividends and other distributions (if any) declared, made, paid or payable, or any other return of capital made, on or after the date of the Announcement, other than any Permitted Redde Dividend and any Redde Equalisation Dividend.
- 3 If, after the date of the Announcement, any Non-Permitted Redde Dividend is declared, made or paid or becomes payable in respect of the Redde Shares, Northgate reserves the right to reduce the Exchange Ratio accordingly so as to reflect the aggregate value attributable to any such Non-Permitted Redde Dividend.
- 4 If, after the date of the Announcement, any Non-Permitted Northgate Dividend is declared, made or paid or becomes payable in respect of the Northgate Shares, then Redde will be entitled (in addition to any Permitted Redde Dividend) to declare and pay, and the Redde Shareholders will be entitled to receive and retain the Redde Equalisation Dividend in respect of the Redde Shares of an amount per Redde Share equal to the amount of the Non-Permitted Northgate Dividend per Northgate Share multiplied by the Exchange Ratio (taking into account any reduction to the Exchange Ratio arising as a result of any Non-Permitted Redde Dividend in accordance with paragraph 3 in Part D of this Part 4).
- 5 The availability of the Merger to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdiction. Any persons who are not resident in the United Kingdom or who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements.
- 6 This document and any rights or liabilities arising hereunder, the Merger, the Scheme, and any Forms of Proxy and other proxies will be governed by English law and be subject to the jurisdiction of the courts of England and Wales. (b) ***Proposed Northgate Directors***

Service Agreement of Martin Ward

It is anticipated that a new service agreement will be put in place between Martin Ward and Northgate. No discussions have taken place in respect of the terms of Martin Ward's new service agreement. However, it is intended that the terms of his service agreement will be appropriate for a CEO of a group of the size and nature of the Combined Group and will take into account appropriate and recognised benchmarking. Martin Ward will be eligible to participate in the proposed Value Creation Plan and further information on that plan and his participation is set out in paragraph 6 of Part 2 of this document.

Non-executive directors letters of appointment

It is intended that John Davies, Stephen Oakley and Mark McCafferty, as non-executive directors of the Combined Group, will have letters of appointment with the Combined Group on substantially the same terms as Northgate's existing non-executive directors.

8. Material contracts

(a) Redde and Northgate

(i) Confidentiality Agreement

See paragraph 12(a) below for details of the Confidentiality Agreement.

(ii) Co-operation Agreement

See paragraph 12(b) below for details of the Co-operation Agreement.

(b) Redde

Save as disclosed in paragraph 8(a) above and this paragraph 8(b), neither Redde nor any of its subsidiaries has, during the period beginning on Wednesday 29 November 2017 and ending on the Disclosure Date, entered into any material contract otherwise than in the ordinary course of business.

(i) Facility Agreement

Redde (and certain other Redde Group companies) entered into an unsecured credit facility agreement on 2 December 2015 (as amended and restated by an amendment and restatement agreement dated 7 August 2019) pursuant to which HSBC UK Bank plc (the "**Redde Lender**") (originally HSBC Bank plc but, pursuant to an Order of the High Court on 21 May 2018, HSBC Bank plc transferred part of its banking business to HSBC UK Bank plc with effect from 1 July 2018) agreed to make available a committed revolving credit facility of up to £50 million (the "**Redde Facility Agreement**") for the general corporate and working capital purposes of the Redde Group. The Redde Facility Agreement is documented on terms which are customary for a company with a public listing.

All amounts outstanding under the Redde Facility Agreement must be repaid in full on 7 August 2024.

Voluntary cancellations and prepayment may be made, by giving prior notice, either in full or in part with minimum cancellation and prepayment amounts if in part. Mandatory prepayment events will occur in the event of illegality, a change of control in relation to Redde or a sale of all or substantially all of the business and/or assets of the Redde Group.

The interest payable on amounts outstanding under the Redde Facility Agreement for each interest period (which can be selected as one, three or six months or any other period agreed between Redde and the Redde Lender) is calculated on the basis of LIBOR plus a margin. The margin is subject to a margin ratchet calculated by reference to a total net debt to consolidated earnings before interest, depreciation and amortization financial covenant test. Default interest is payable on unpaid amounts and a commitment fee is payable on the available commitments (as is customary).

The Redde Facility Agreement includes (i) a total net debt to consolidated earnings before interest, depreciation and amortisation financial covenant test which is set at 4:1 and (ii) a consolidated earnings before interest, depreciation and amortisation to net finance charges interest cover test which is set at 3:1, in each case, in respect of any testing period based on the LMA model but with negotiated definitions. The covenants are tested half yearly.

The representations, undertakings and events of default are customary for a facility of this type and a borrower of this nature with the usual materiality tests, carve outs, de minimis amounts and grace/remedy periods. Upon the occurrence of an event of default, the Redde Lender will be able to, among other things, cancel the available commitments,

declare all outstanding payments to be immediately due and payable and/or exercise any or all of rights, remedies, powers or discretions available to the Redde Lender under the finance documents.

The consent of Redde, not to be unreasonably withheld or delayed, is required for any assignment or transfer unless such assignment or transfer is (i) to another lender or affiliate of a lender or (ii) made at a time when an event of default is continuing.

The Redde Facility Agreement is cross guaranteed by 17 Redde Group companies (including Redde). There is a requirement that the aggregate earnings before interest, tax, depreciation and amortisation and the aggregate gross assets, in each case, of the guarantors of the Redde Facility Agreement must comprise at least 80 per cent. of the consolidated earnings before interest, tax, depreciation and amortisation and 80 per cent. of the consolidated gross assets of the Redde Group as a whole. There is also a material companies test whereby any Redde Group company comprising more than 10 per cent. of the consolidated earnings before interest, tax, depreciation and amortisation or more than 10 per cent. of the consolidated gross assets, in each case, of the Redde Group as a whole is required to accede as a guarantor (if not already a guarantor). The Redde Facility Agreement also contains market standard guarantor accession and resignation mechanics.

(ii) *Overdraft Facility*

Redde (and certain other Redde Group companies) have also entered into an uncommitted sterling net overdraft facility of up to £5 million in respect of various Redde Group accounts with HSBC UK Bank plc, under their standard terms and conditions and only to be used in the ordinary course of trading of the Redde Group.

(c) **Northgate**

Save as disclosed in paragraph 8(a) above and this paragraph 8(c), Northgate has not, during the period beginning on Wednesday 29 November 2017 and ending on the Disclosure Date, entered into any material contract otherwise than in the ordinary course of business.

(i) *Facilities agreement*

On 16 September 2019, Northgate entered into a senior multicurrency term and revolving facilities agreement made between Northgate, ABN Amro Bank N.V., Barclays Bank PLC, Lloyds Bank plc and The Royal Bank of Scotland plc as arrangers, Northgate and Northgate Vehicle Hire Limited as borrowers (the "**Borrowers**"), Northgate, Northgate Vehicle Hire Limited, and Northgate (Europe) Limited as guarantors (the "**Guarantors**"), ABN Amro Bank N.V., Barclays Bank PLC, Lloyds Bank plc, The Royal Bank of Scotland plc, The Governor and Company of the Bank of Ireland, Banco de Sabadell S.A., London Branch, Banco Bilbao Vizcaya Argentaria, S.A., London Branch, CaixaBank, S.A. United Kingdom Branch, and Bank of China Limited, London Branch as lenders (the "**Lenders**"), and National Westminster Bank plc as agent (the "**Agent**"), as amended and restated from time to time (the "**Facilities Agreement**") consisting of (i) a senior multicurrency term loan facility of €89,560,000 (the "**Term Loan**") and (ii) a revolving credit facility of £477,500,000 (the "**RCF**" and, together with the Term Loan, the "**Facilities**").

As at 6 December 2019, the full amount of the Term Loan has been drawn down. The Term Loan facility matures on 30 November 2022 and accrues interest at EURIBOR, plus an applicable margin.

The base currency of the RCF is sterling but is available in optional currencies subject to certain conditions. The RCF may be utilised for the general corporate purposes of the Northgate Group, including refinancing indebtedness and financing acquisitions.

As at 6 December 2019, Northgate had approximately £345,000,000 drawn down under the RCF. The RCF matures on 30 November 2023 and accrues interest at LIBOR plus an applicable margin.

Each loan under the RCF is repayable on the last day of its interest period. The interest period can be one, three, or six months or any such period as agreed between Northgate and the Agent.

The Facilities Agreement also contains customary prepayment, cancellation and default provisions and customary representations and warranties (subject to certain exceptions and qualifications) and a financial covenant based on the ratio of total net debt to EBITDA.

The Facilities Agreement limits the ability of Northgate and the obligors to make acquisitions, enter mergers or joint ventures, incur additional financial indebtedness, make disposals, grant security or make a substantial change to the general nature of the business of Northgate and its subsidiaries as well as other customary covenants.

The covenants, events of default and representations in the Facilities Agreement are customary for facilities of this type and are subject to certain carve-outs and/or materiality thresholds.

(ii) *Backstop facilities agreement*

The Facilities Agreement contains a covenant restricting acquisitions that does not currently permit the completion of the Merger. Northgate has approached the Lenders (as defined in the Facilities Agreement) for the required consent to waive this provision in respect of the Merger (the "**Consent**").

Northgate has entered into a commitment letter with Barclays pursuant to which Barclays has underwritten certain backstop facilities (the "**Backstop Facilities**") and has agreed to execute a backstop facilities agreement (the "**Backstop Facilities Agreement**") upon one Business Day's request by Northgate.

The Backstop Facilities are, in aggregate, sufficient to refinance and provide equivalent headroom to the Facilities and, upon the execution of the Backstop Facilities Agreement and satisfaction of relevant conditions precedent, they would be available to be drawn to refinance the Facilities and (to the extent provided as revolving facilities) for general corporate purposes. The completion of the Merger is permitted under the Backstop Facilities Agreement.

In the event that the Consent is not granted by the Majority Lenders under and as defined in the Facilities Agreement, it will be available to Northgate to require the execution of the Backstop Facilities Agreement by Barclays.

The Backstop Facilities have a term of 12 months from the date of the Backstop Facilities Agreement, subject to a 6 months extension (exercisable at the option of Northgate only).

The representations, financial covenants, general covenants and events of default under the Backstop Facilities Agreement generally reflect those of the Facilities Agreement (other than permitting the completion of the Merger) and the Backstop Facilities Agreement contains customary prepayment and cancellation provisions for backstop facilities.

(iii) *Note purchase agreement*

On 31 July 2015, Northgate entered into a note purchase agreement to authorise the issue and sale of €100,000,000 aggregate principal amount of its senior notes to the Prudential Insurance Company of America, the Prudential Retirement Insurance and Annuity Company, the Prudential Legacy Insurance Company of New Jersey, and International Kapitalanlagegesellschaft MBH, Dusseldorf (together, the "**Purchasers**") (the "**Note Purchase Agreement**").

The unpaid principal balance of each is due and payable on 1 August 2022. Interest is due on the 31st day of January and July in each year, commencing from the date the note was issued. Voluntary prepayment, either in full or in part may be made by giving prior notice to each noteholder, subject to certain make-whole provisions.

The Note Purchase Agreement limits the ability of Northgate to substantially change the general nature of Northgate's business, enter into certain mergers (such as those that would result in Northgate being incorporated outside the United Kingdom or certain other jurisdictions) which could result in the imposition of sanctions, incur financial indebtedness, grant security and make disposals (in each case subject to certain exceptions, and as not otherwise permitted in the Note Purchase Agreement).

The covenants, events of default and representations in the Note Purchase Agreement are customary for facilities of this type and are subject to certain carve-outs and/or materiality thresholds.

12. Offer-related arrangements

(a) Confidentiality Agreement

Redde has the right to terminate the Co-operation Agreement if: (i) a Competing Proposal for Northgate (as defined in the Co-operation Agreement) completes, becomes effective, or is declared or becomes unconditional in all respects; or (ii) Northgate breaches clause 8.3 of the Co-operation Agreement.

In addition, either party has the right to terminate the Co-operation Agreement if: (i) there is a Redde Adverse Recommendation Change (as defined in the Co-operation Agreement); or (ii) there is a Northgate Adverse Recommendation Change (as defined in the Co-operation Agreement).

15. Taxation

The summary information on taxation in this document is intended as a guide only and is not a substitute for detailed tax advice. Any Redde Shareholders who are in any doubt about their tax position, or who are resident for tax purposes outside the UK, are strongly advised to contact an appropriate independent professional adviser immediately.

(a) **UK taxation**

The summary comments set out below are based on current United Kingdom tax law as applied in England and Wales and what is understood to be the current HM Revenue & Customs (“**HMRC**”) practice (which may not be binding on HMRC) as at the date of this document, both of which are subject to change, possibly with retrospective effect. They are intended as a general guide to certain limited aspects of the UK tax treatment of Redde Shareholders in respect of the Merger and apply only to Redde Shareholders resident and, in the case of individuals, domiciled for tax purposes in, and only in, the United Kingdom and to whom “split year” treatment does not apply, who hold shares in Redde as an investment (other than where a tax exemption applies, for example where the shares in Redde are held in an individual savings account or a pension arrangement) and who are the absolute beneficial owners thereof (“**UK Holders**”). Certain categories of Redde Shareholders, including (but not limited to) dealers in securities, those subject to UK tax on the remittance basis, those carrying on certain financial or insurance activities, those subject to specific tax regimes or benefiting from certain reliefs and exemptions, those connected with Redde or the Redde Group and those for whom the shares are employment-related securities may be subject to special rules and this summary does not apply to such shareholders.

The discussion does not address any possible tax consequences relating to an investment in New Northgate Shares. For information on the UK tax consequences of: (i) a subsequent disposal of all or any New Northgate Shares acquired under the Scheme or otherwise; and (ii) dividends paid in respect of any New Northgate Shares, please see paragraphs (a) and (b) of part 20 of the Northgate Prospectus (for which Northgate, the Northgate Directors and the Proposed Northgate Directors are responsible).

Redde Shareholders or prospective Redde Shareholders who are in any doubt about their tax position, or who are resident or otherwise subject to taxation in a jurisdiction outside the United Kingdom, should consult their own professional advisers.

(b) **UK tax on capital gains**

A UK Holder’s liability to UK tax on capital gains will depend on the individual circumstances of such UK Holder and on the form of consideration received.

(i) *Receipt of New Northgate Shares*

To the extent that a UK Holder receives New Northgate Shares in exchange for his/her Redde Shares and does not hold (either alone or together with persons connected with him/her) more than 5 per cent. of, or of any class of, shares in or debentures of Redde, he/she will not be treated as having made a disposal of his/her Redde Shares. Instead, the New Northgate Shares will be treated as the same asset as those Redde Shares acquired at the same time and for the same consideration as those shares.

A UK Holder who holds (either alone or together with persons connected with him/her) more than 5 per cent. of, or of any class of, shares in or debentures of Redde will be eligible for the above treatment only if the Scheme is effected for bona fide commercial reasons and does not form part of a scheme or arrangement of which the main purpose, or one of the main purposes, is an avoidance of liability to UK capital gains tax or corporation tax. UK Holders are advised that clearance has been sought by Redde under section 138 of the Taxation of Chargeable Gains Act 1992 that HMRC is satisfied that the Scheme will be effected for bona fide commercial reasons and will not form part of any such scheme or arrangements. As at Friday 6 December 2019 (being the latest practicable date prior to the date of this document), Redde has not yet received a response from HMRC in respect of such clearance.

(ii) *Cash*

To the extent that a UK Holder receives cash for his/her Redde Shares in respect of fractional entitlements to New Northgate Shares, that UK Holder will, except in the circumstances set out in the next paragraph, be treated as disposing of Redde Shares which may, depending on the shareholder's individual circumstances (including the availability of exemptions, reliefs or allowable losses), give rise to a liability to UK tax on capital gains.

If a UK Holder receives cash (in respect of fractional entitlements to New Northgate Shares) in addition to New Northgate Shares, in circumstances where the amount of cash received is small in comparison with the value of his/her Redde Shares and the base cost attributable to his/her Redde Shares is equal to or greater than the amount of such cash received, the UK Holder will not be treated as having disposed of the shares in respect of which the cash was received. Instead, an amount equal to the amount of such cash will be deducted from the base cost of his/her New Northgate Shares for the purposes of computing any chargeable gain or allowable loss on a future disposal of the New Northgate Shares.

Under current HMRC practice, any cash payment of: (i) £3,000 or less; or (ii) (if greater) which is 5 per cent. or less of the market value of a UK Holder's holding of Redde Shares should generally be treated as small for these purposes.

In all other cases where a UK Holder receives cash in addition to New Northgate Shares, the UK Holder will be treated as having made a part disposal of his/her Redde Shares which may, depending on the UK Holder's individual circumstances (including the availability of exemption reliefs or allowable losses), give rise to a liability to the tax on chargeable gains. Any chargeable gain shall be computed on the basis of an apportionment of the allowable cost of the holding by reference to the market value of the holding at the time of the disposal.

(c) ***UK stamp duty and stamp duty reserve tax ("SDRT")***

No UK stamp duty or SDRT should be payable by Redde Shareholders on the exchange of their Scheme Shares for New Northgate Shares and/or cash under the Scheme.

NOTICE OF COURT MEETING

**IN THE HIGH COURT OF JUSTICE,
BUSINESS AND PROPERTY COURTS
OF ENGLAND AND WALES,
COMPANIES COURT (ChD)**

CR-2019-007610

Deputy Insolvency and Companies Court Judge Frith

IN THE MATTER OF REDDE PLC

– and –

IN THE MATTER OF THE COMPANIES ACT 2006

NOTICE IS HEREBY GIVEN that by an order dated Tuesday 10 December 2019 made in the above matters (the "**Order**"), the High Court of Justice in England and Wales (the "**Court**") has given permission for a meeting (the "**Court Meeting**") to be convened of the Scheme Shareholders (as defined in the scheme of arrangement referred to below) for the purpose of considering and, if thought fit, approving (with or without modification) a scheme of arrangement (the "**Scheme of Arrangement**") proposed to be made between the Company and the Scheme Shareholders and that such meeting will be held at the offices of Bryan Cave Leighton Paisner LLP, Adelaide House, London Bridge, London EC4R 9HA on Wednesday 15 January 2020 at 10.00 am at which place and time all Scheme Shareholders are requested to attend.

A copy of the Scheme of Arrangement and a copy of the explanatory statement required to be furnished pursuant to section 897 of the Companies Act 2006 are incorporated in the Scheme Document of which this Notice forms part. Capitalised terms used but not defined in this Notice shall have the meaning given to them in the Scheme Document.

Voting on the resolution to approve the Scheme will be by poll, which will be conducted as the chairman of the Court Meeting or the Registrar may determine.

Scheme Shareholders entitled to attend and vote at the Court Meeting may vote in person at the Court Meeting or they may appoint another person, whether a member of the Company or not, as their proxy to attend, speak and vote in their place. A pink Form of Proxy for use at the Court Meeting is enclosed with this notice. Scheme Shareholders who hold their shares in uncertificated form (i.e. in CREST) are requested to complete CREST proxy instructions in accordance with the procedures described in the CREST Manual, which can be viewed at www.euroclear.com/CREST.

Completion and return of the pink Form of Proxy or the appointment of a proxy through CREST will not prevent a Scheme Shareholder from attending and voting at the Court Meeting, or any adjournment thereof.

Scheme Shareholders are entitled to appoint a proxy in respect of some or all of their Scheme Shares and may also appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such holder. Scheme Shareholders who wish to appoint more than one proxy in respect of their holding of Scheme Shares should contact Link Asset Services for further Forms of Proxy.

It is requested that Forms of Proxy (and any power of attorney or other authority under which the same are signed) and CREST proxy instructions be lodged with the Registrar, Link Asset Services at PXS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, and CREST proxy instructions be submitted in each case not less than 48 hours (excluding non-Business Days) before the time appointed for the Court Meeting or any adjournment thereof. Forms of Proxy not so lodged may be handed to the chairman of the Court Meeting or the Registrar at the Court Meeting before the taking of the poll.

In the case of joint holders of the Scheme Shares, the vote of the senior holder who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority will be determined by the order in which the names stand in the register of members of the Company in respect of the joint holding.

As an alternative to appointing a proxy, any Scheme Shareholder which is a corporation may vote by a corporate representative appointed in accordance with the Companies Act.

Entitlement to attend, speak and vote at the Court Meeting, or any adjournment thereof, and the number of votes which may be cast thereat will be determined by reference to the register of members of the Company as at 6.00 pm (London time) on the day which is two Business Days before the date of the Court Meeting or adjourned meeting (as the case may be). In each case, changes to the register of members of the Company after such time will be disregarded for the purposes of determining entitlement to attend, speak and vote.

By the said Order, the Court has appointed John Davies or, failing him, Martin Ward or, failing him, any other director of the Company to act as chairman of the Court Meeting and has directed the chairman to report the result of the Court Meeting to the Court.

The Scheme of Arrangement will be subject to the subsequent sanction of the Court.

NOTICE OF GENERAL MEETING

REDDE PLC

(incorporated in England and Wales with registered number 03120010)

Notice is hereby given that a general meeting (the "**Redde General Meeting**") of Redde plc (the "**Company**") will be held at the offices of Bryan Cave Leighton Paisner LLP, Adelaide House, London Bridge, London EC4R 9HA on Wednesday 15 January 2020 at 10.15 am (or as soon thereafter as the Court Meeting shall have been concluded or adjourned) for the purpose of considering and, if thought fit, passing the following resolution as a special resolution. Capitalised terms in this Notice shall, unless defined herein, have the same meanings as defined in the Scheme Document of which this Notice forms part.

SPECIAL RESOLUTION

1. THAT:

- (a) for the purpose of giving effect to the scheme of arrangement dated Thursday 12 December 2019 (the "**Scheme**"), in its original form or subject to any modification, addition or condition agreed between the Company and Northgate plc ("**Northgate**") and approved or imposed by the Court, proposed to be made between the Company and the Scheme Shareholders (as defined in the Scheme), a print of which has been produced to the Redde General Meeting and (for the purpose of identification only) signed by the chairman of the Redde General Meeting, the directors of the Company be authorised to take all such action as they may consider necessary or appropriate for carrying the Scheme into effect;
- (b) with effect from the passing of this resolution, the articles of association of the Company be amended by including the following new article as Article 130 (and amending the remainder of the articles and any cross-references thereto accordingly):

"130 Scheme of Arrangement

130.1 In this Article, references to the "**Scheme**" are to the scheme of arrangement dated Thursday 12 December 2019 under section 899 of the Companies Act 2006, between the Company and the Scheme Shareholders (as defined in the Scheme), as it may be modified or amended in accordance with its terms, and (save as defined in this Article) expressions defined in the Scheme shall have the same meanings in this Article.

130.2 Notwithstanding any other provision of these Articles, if the Company issues any ordinary shares after the adoption of this Article and prior to the Scheme Record Time (as defined in the Scheme), such shares shall be issued subject to the terms of the Scheme (and shall be Scheme Shares for the purposes thereof) and the original or any subsequent holder or holders of such shares shall be bound by the Scheme accordingly.

130.3 Notwithstanding any other provision of these Articles and subject to the Scheme becoming effective, if any ordinary shares are issued to any person (other than to Northgate or its nominee(s)) (a "**New Member**") at or after the Scheme Record Time, such ordinary shares (the "**Disposal Shares**") shall, at the Effective Time or, if later, on issue, be immediately transferred to Northgate (or to such person as Northgate may otherwise direct) in consideration of (subject as hereinafter provided) the allotment and issue or transfer to the New Member of such number of Northgate Shares (the "**Consideration Shares**") (and the payment of cash in respect of fractional entitlements, as described in paragraph 130.6 of this Article) that the New Member would have been entitled to under the Scheme had each Disposal Share been a Scheme Share, provided that if, in respect of any New Member who is resident, located or has a registered address in a jurisdiction outside the United Kingdom or the United States or whom Northgate reasonably believes to be a citizen, resident or national of a jurisdiction outside the United Kingdom or the United States, Northgate is advised that the law of a country or territory outside the United

Kingdom and the United States: (i) precludes the allotment, issue and/or delivery to that New Member of Consideration Shares; or (ii) precludes the matters referred to in (i) except after compliance by the Company or Northgate (as the case may be) with any governmental or other consent or any registration, filing or other formality with which the Company and/or Northgate is unable to comply or compliance with which the Company and/or Northgate (as the case may be) regards as unduly onerous, then Northgate may, in its sole discretion determine that such Consideration Shares shall not be allotted, issued and delivered to such New Member, but shall instead be allotted, issued and delivered to a person appointed by Northgate for such New Member on terms that such person shall, as soon as practicable following the allotment and issue of such New Northgate Shares, sell the New Northgate Shares so issued. In the event that the Consideration Shares are to be sold pursuant to the preceding sentence, the Company shall appoint a person to act, and who shall be authorised, as attorney or agent for the New Member pursuant to this Article and such person shall be authorised on behalf of such New Member to execute and deliver as transferor a form of transfer or other instrument or instruction of transfer on behalf of the New Member and to give such instructions and to do all other things which he or she may consider necessary or expedient in connection with such sale. The net proceeds of such sale (after the deduction of all expenses and commissions incurred in connection with such sale, including any value added tax payable on the proceeds of sale) shall be paid to the persons entitled thereto in due proportion as soon as practicable following such sale, save that any fractional cash entitlements shall be rounded down to the nearest whole penny.

- 130.4 The Consideration Shares allotted and issued or transferred to a New Member pursuant to paragraph 130.3 of this Article shall be credited as fully paid and shall rank *pari passu* in all respects with the Northgate Shares in issue at that time (other than as regards any dividend or other distribution payable by reference to a record date preceding the date of allotment or transfer).
- 130.5 On any reorganisation of, or material alteration to, the share capital of either the Company or Northgate (including, without limitation, any subdivision and/or consolidation) effected after the Effective Date, the number of Consideration Shares to be allotted and issued or transferred to a New Member for each Disposal Share under paragraph 130.3 of this Article may be adjusted by the Directors in such manner as the auditors of the Company may determine to be appropriate to reflect such reorganisation or alteration. References in this Article to ordinary shares Consideration Shares and Disposal Shares shall, following such adjustment, be construed accordingly.
- 130.6 No fraction of a Consideration Share shall be allotted, issued or transferred to a New Member pursuant to this Article. Any fraction of a Consideration Share to which a New Member would otherwise have become entitled shall be aggregated with the fractional entitlements of any other New Members whose shares are being transferred under this Article on the same date and the maximum whole number of Consideration Shares resulting therefrom shall be allotted and issued to a person appointed by Northgate to hold such Consideration Shares on behalf of the relevant New Members. Such Consideration Shares shall then be sold in the market as soon as practicable after the Effective Time, or, if later, their allotment and issue, and the net proceeds of sale (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) shall be paid in sterling in due proportion to the persons entitled thereto (rounded down to the nearest penny). However, fractional entitlements to amounts (after the deduction of all commissions and expenses incurred in connection with such sale, including any value added tax payable on the proceeds of sale) of £5 or less shall not be paid to the relevant New Members who would otherwise be entitled to them, but shall be retained for the benefit of Northgate.
- 130.7 To give effect to any transfer of Disposal Shares, the Company may appoint any person as attorney (on the basis that any such appointment shall be irrevocable for a period of two months from the date upon which such New Member is issued the Disposal Shares for that New Member) or agent for the New Member to transfer the Disposal Shares to Northgate and/or its nominee(s) and do all such other things and execute and deliver all such

documents as may in the opinion of the attorney or agent be necessary or desirable to vest the Disposal Shares in Northgate or its nominee(s) and pending such vesting to exercise all such rights attaching to the Disposal Shares as Northgate may direct. If an attorney or agent is so appointed, the New Member shall not thereafter (except to the extent that the attorney or agent fails to act in accordance with the directions of Northgate) be entitled to exercise any rights attaching to the Disposal Shares unless so agreed by Northgate. The attorney or agent shall be empowered to execute and deliver as transferor a form or forms of transfer or other instrument(s) or instruction(s) of transfer on behalf of the New Member (or any subsequent holder or any nominee of such New Member or any such subsequent holder) in favour of Northgate and/or its nominee(s) and the Company may give a good receipt for the consideration for the Disposal Shares and may register Northgate and/or its nominee(s) as holder thereof and issue to it certificates for the same. The Company shall not be obliged to issue a certificate to the New Member for the Disposal Shares. Northgate shall, subject to paragraph 130.3 of this Article, allot and issue or transfer the Consideration Shares to the New Member (and send a cheque in respect of any fractional entitlements in accordance with paragraph 130.6 of this Article and in circumstances where the provision in paragraph 130.3 of this Article applies) within 10 business days of the issue of the Disposal Shares to the New Member.

130.8 Notwithstanding any other provision of these Articles, neither the Company nor the Directors shall register the transfer of any Disposal Shares and/or any Scheme Shares between the Scheme Record Time and the Effective Date.

130.9 If the Scheme shall not have become effective by the Longstop Date of the Scheme, this Article 130 shall be of no effect."

A shareholder may appoint more than one proxy in relation to the Redde General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A blue Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this document.
2. The return of a completed Form of Proxy or any CREST proxy instruction (as described in paragraph 4 below), will not prevent a shareholder attending the Redde General Meeting and voting in person if he/she wishes to do so and is so entitled.
3. If you are a user of the CREST system (including a CREST personal member), you may appoint one or more proxies or give an instruction to a proxy by having an appropriate CREST message transmitted. To appoint a proxy or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, the CREST message must be received by the Registrar (CREST participant ID RA10) not later than 10.15 am on Monday 13 January 2020 (or, in the case of an adjournment, not later than 48 hours (excluding non-Business Days) before the time fixed for the holding of the adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the Registrar is able to retrieve the message.
4. CREST Personal Members or other CREST sponsored members should contact their CREST sponsor for assistance with appointing proxies via CREST. For further information on CREST procedures, limitations and systems timings, please refer to the CREST Manual (available via www.euroclear.com). The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
5. Alternatively, you may request a hard copy Form of Proxy directly from the Registrar. A hard copy Form of Proxy together with any power of attorney or other authority under which it is signed, or a duly certified copy thereof, must be received by the Registrar at Link Asset Services, PXS 34 Beckenham Road, Beckenham, Kent BR3 4TU not later than 10.15 am on Monday 13 January 2020 (or, in the case of an adjournment, not later than 48 hours (excluding non-Business Days) before the time fixed for the holding of the adjourned meeting).

7. If the meeting is adjourned, entitlement to attend and vote will be determined by reference to the register of members of the Company as at 6.00 pm on the date two days prior to the adjourned meeting (excluding non-Business Days). Changes to the register of members of the Company after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
8. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
9. In the case of joint holders, where more than one of the joint holders purports to vote (including voting by proxy), the only vote which will count is the vote of the person whose name is listed before the other joint holder(s) on the register of members of the Company for the share.

APPENDIX 1

NORTHGATE QUANTIFIED FINANCIAL BENEFITS STATEMENT

Paragraph 3 of Part 1 of this document contains statements of estimated cost savings and synergies arising from the Merger (together, the "**Northgate Quantified Financial Benefits Statement**").

A copy of the Northgate Quantified Financial Benefits Statement is set out below.

"Northgate and Redde have identified significant savings that they expect to result from the Merger. The Boards of Northgate and Redde expect that the Merger will generate pre-tax cost synergies of at least £10 million per annum, with target run-rate phasing of £7 million at the end of the first 12 months following Completion and £10 million at the end of the second 12 months following Completion.

These cost synergies are expected to be delivered from the following areas:

- *Corporate and support functions (approximately 45 per cent. of total pre-tax cost synergies): Rationalisation and consolidation of corporate and support functions, removal of duplicate public company costs and optimisation of procurement;*
- *Network (approximately 35 per cent. of total pre-tax cost synergies): Operational savings from optimisation of the combined networks given enhanced scale of the Combined Group which is expected to enable the removal of branch overlap and the better optimisation of the network density of the Combined Group; and*
- *Accident and fleet management (approximately 20 per cent. of total pre-tax cost synergies): Operational savings from consolidating and rationalising the accident and fleet management capabilities of the Combined Group.*

In achieving these cost synergies, the Combined Group expects to incur aggregate cash implementation costs of approximately £10 million. It is expected that approximately 70 per cent. of the total integration costs will be incurred in the first 12 months following Completion with the balance being incurred in the second 12 months following Completion.

Aside from these one-off costs, the Board of Northgate and the Board of Redde do not expect any material dis-synergies to arise from the creation of the Combined Group.

The identified synergies will accrue as a direct result of the Merger and would not be achieved on a standalone basis. Further information on the bases of belief supporting the Northgate Quantified Financial Benefits Statement, including the principal assumptions and sources of information, is set out in Appendix 1."

Further information on the basis of belief supporting the Northgate Quantified Financial Benefits Statement, including the principal assumptions and sources of information, is set out below:

Basis of belief

Following commencement of discussions regarding the creation of the Combined Group, a team with members of the management team from Northgate and Redde (the "**Synergy Team**") was established to identify areas of potential savings and validate the cost benefit plan. The Northgate and Redde teams worked collaboratively to identify integration initiatives and estimate the timing and quantum of cost benefits available.

In preparing the Northgate Quantified Financial Benefits Statement, both Northgate and Redde have shared certain operating and financial information to facilitate a detailed analysis in support of evaluating the potential cost benefits available from the creation of the Combined Group. In circumstances where data have been limited for commercial or other reasons, the Synergy Team has made estimates and assumptions to aid its development of individual cost benefit initiatives.

In general, the cost benefit assumptions have in turn been risk adjusted, exercising a degree of prudence in the calculation of the estimated cost benefits set out above.

In arriving at the Northgate Quantified Financial Benefits Statement, Northgate have assumed:

- no material change in law and regulations, changes in government policies and changes in accounting standards;
- no unanticipated financial impact of the UK's EU Referendum on 23 June 2016;
- no significant impact on the underlying operations of either business from the creation of the Combined Group;
- no material change in foreign exchange rates; and
- no material divestments from either the Northgate or Redde existing businesses.

The baselines used for the quantified cost synergies were:

- For Northgate: full year operating expenses for the financial year ended 30 April 2019; and
- For Redde: full year operating expenses for the financial year ended 30 June 2019.

Confirmations

On 29 November 2019, PwC, as reporting accountants to Northgate, and Goldman Sachs and Barclays, as joint financial advisers to Northgate, gave the reports relating to the Northgate Quantified Financial Benefits Statements required by Rule 28.1(a) of the Takeover Code. Copies of their reports were included in Parts B and C of Appendix 4 of the Announcement.

The Northgate Directors confirm that:

- 1 the Northgate Quantified Financial Benefit Statement remains valid; and
- 2 as required by Rule 27.2(d)(ii) of the Takeover Code each of PwC, Goldman Sachs and Barclays has confirmed to Northgate that their respective reports produced in connection with the Northgate Quantified Financial Benefit Statement continue to apply.

Note

The statements of estimated cost benefits relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost benefits referred to may not be achieved, or may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Other than the Northgate Statement, no statement in the Northgate Quantified Financial Benefits Statement or this document generally should be construed as a profit forecast or interpreted to mean that Northgate's earnings in the full first full year following the Merger, or in any subsequent period, would necessarily match or be greater than or be less than those of Northgate and/or Redde for the relevant preceding financial period or any other period.

Due to the scale of the Combined Group, there may be additional changes to the Combined Group's operations. As a result, and given the fact that the changes relate to the future, the resulting cost benefits may be materially greater or less than those estimated.

APPENDIX 2

NORTHGATE STATEMENT

Northgate Statement

On 29 November 2019, Northgate announced its interim results for the six months ended 31 October 2019. As part of that announcement Northgate made the following statements regarding the outlook for its business (the "**Interim Statements**") as an update to statements made on 25 June 2019 at the time of the announcement of its results for the 12 months ended 30 April 2019 (the "**Full Year Statements**"):

"The Company re-confirms its guidance for the current year in relation to the Group's hire revenue growth, where we continue to expect low to mid single digit year-on-year growth %."

"the Company now expects the Group rental profit margin to improve by at least 50 basis points year-on-year"

"Group disposal profits are now expected to decrease by approximately 20% on the prior year"

When considered together the Interim Statements imply an expected level of revenue and underlying profit before tax for the 12 months ending 30 April 2020 which is unchanged from the expected level implied by the Full Year Statements (the "**Implied Forecast**").

The Full Year Statements and the Implied Forecast were originally published before Northgate made any approach to Redde and, accordingly, the requirements of Rule 28.1(c) of the City Code on Takeovers and Mergers apply in relation to the Full Year Statements.

The Northgate Directors confirm that the Implied Forecast remains valid and confirm that the Implied Forecast has been properly compiled on the basis of the assumptions stated below and that the basis of accounting used is consistent with Northgate's accounting policies.

Assumptions

The Full Year Statements, Interim Statements and the Implied Forecast were prepared on the basis of the following assumptions, any of which could turn out to be incorrect and therefore affect the validity of the Full Year Statements, Interim Statements and the Implied Forecast:

Factors within the influence and control of the Northgate Directors

- There is no material change in the operational strategy of Northgate from the date of this announcement.
- There will be no further acquisitions or disposals which will have a material impact on Northgate's results.
- There are no material strategic investments over and above those currently planned.

- There will be no material macroeconomic change in the principal markets and regions in which Northgate operates.
- There will be no unanticipated financial impact of the UK's EU Referendum on 23 June 2016.
- There will be no material adverse events which will have a significant impact on Northgate's financial results.
- There will be no changes in interest rates, bases of taxation, regulatory environment or legislation that have a material impact on Northgate, including in relation to operations or accounting policies.
- There will be no material changes in customer demand or the competitive environment in which Northgate operates.
